

Ancient Egypt Social Classes

1. **First, make sure you have already watched the Edpuzzle video, "Social Pyramid of Ancient Egypt."** Listen to the video carefully. It may be a good idea to take notes or watch the video more than once.
2. The video identified and explained each social class and their roles in ancient Egyptian society.
3. Here is your job:
 - Using the word bank below, label each of the six social classes.
 - Next, you will need to double click the pyramid. Then label the correct portion of the pyramid in the textbox.

Pharaoh/gods	Vizier	Peasant workers/farmers
Scribes	Skilled artisans/craftsmen	Servants/slaves
