Dear Twinsburg Schools Family:

I hope this letter finds you well and enjoying the first days of summer break.

As I wrote to you in the last few School Closure Updates, it is extremely important for school officials to understand our parents' perspectives with regard to the reopening of the Twinsburg City School District for the 2020/2021 school year. To that end, we prepared a survey to gather your feedback. Parents who will have students enrolled in our District next school year are asked to complete this survey. The survey includes several scenarios for which we seek your thoughts. Please know that at this time, no decisions have been made regarding the manner in which our educational programs will be provided to students for next school year. We surely cannot do that without your input!

You can access the survey via this link: <https://forms.gle/jf6PWNBLKjnUTFZJ7>

Thank you for taking the time to reflect upon the questions and to provide your feedback. Kindly submit your feedback before 3:00 p.m. on Wednesday, June 3<sup>rd</sup>.

I sincerely appreciate your continued partnership with our school district,  
Kathi Powers, Superintendent
