

Earth Day Bingo

Instructions: Ask the child the questions included below to create a fun earth-day themed game of bingo! Grab a few pennies to use as “bingo markers” or allow your child to color the boxes as you play.

1. Where do fish live?
2. What planet do we live on?
3. What can we see after it rains?
4. Who makes honey?
5. Where do mountain lions live?
6. What helps keep our kites up in the sky?
7. What do we see in the sky at night?
8. What do plants need to grow?
9. What grows on trees?
10. What has wings?
11. What grows in the spring?
12. What is in the sky during the day?
13. What can seeds grow into?
