Contest Details

Conducted by: Akron Society of Engineers

Tentative Contest Date: February 2, 2019

Location: University of Akron

Contest Fee: \$30 approximately

The MATHCOUNTS Foundation is a 501(c)(3) non-profit organization that strives to engage middle school students of all ability and interest levels in fun, challenging math programs, in order to expand their academic and professional opportunities.

Interested in participating in this year's Middle School MathCounts competition?

Come and explore the wonders of math and the art of problem solving.

Coaching at Twinsburg Public Library
Saturdays 3:00 – 5:00 PM

There is \$0 charge to attend the coaching. Students may contribute up to a maximum of \$5 for print supplies. Most of the materials will be electronic and so printing will be minimal.
