

Board of Education President's Report

Rob Felber

November 6, 2019

Good evening and welcome to the students, staff, and families from Samuel Bissell Elementary and R. B. Chamberlin Middle School. This is the meeting of the Board of Education for November 6, 2019. I am Rob Felber and I am honored to serve as your president of the Board of Education.

As election season has concluded let me congratulate Mark Curtis and Adrienne Gordon on their election to the Board of Education.

Tonight we will hear an administrative report on the year-long strategic planning process. This process involved hundreds of community volunteers, parents, students and staff working on six key committees. The Board then participated in three Work Sessions to review the community's recommendations and finalize the plan. On tonight's agenda is approval of the year-one goals for the five-year Strategic Plan. Superintendent Powers will present the administrative report in more detail.

Now, as we look out in the audience, we're reminded why we're here, our amazing students. So, without further delay, I'll turn the meeting over to Superintendent Powers for her Superintendent's report.
