Looking Good……
All students want to look their best in school pictures. Follow these few tips & leave the rest to our experienced photographers! * If your hair needs a trim, have it done as soon as possible to avoid the "just cut" look. * Solid colors, preferable in subdued hues, enhance facial tones and do not detract from expression. Very bright colors really stand out and can lighten or darken flesh tones. * Wear long or short sleeved tops, avoid sleeveless, tank tops, and low cut shirts.
GLASSES? We will do our best to minimize glass glare, however in many cases it cannot be eliminated. We recommend borrowing a pair of lensless frames from your optometrist.
PLEASE NOTE!!
Studio is not responsible for the style of hair and/or expression.

Our Package offers are available to Freshman, Sophomores, and Juniors.

If purchasing a "Splash" Color select your background color by placing a Large "X" in box.	Rose	Red	Amber	Lavender	Purple	Blue	Pale Blue	Teal	Green	Pale Green	Pale Yellow	Please select "Splash" pricing if you would like a background color other than Gray!
