September 25, 2007

The Twinsburg City School District Board of Education met in SPECIAL session on the above date at the Twinsburg Government Center in Council Chambers at 6:30 p.m. The following board members were present: Mr. Andrews, Mr. Buzulence, Mrs. Cain-Criswell, and Mr. Shebeck. Absent was Mr. Nunney. Recordings of the meeting are made and kept in the Superintendent's Office.

This SPECIAL Board of Education Meeting was convened as a Joint Session with the Twinsburg City Council to discuss the Corbett Farm property and the need as the community grows for an additional school building. Developers had recently purchased the Corbett Farm property on the corner of State route 91 and Glenwood and wanted to have the property rezoned. In the rezoning package submitted to the City of Twinsburg the developers would donate 17.24 acres of land to the Twinsburg City School District as a possible future building site.

The discussion centered on the suitability of the Corbett property and if the City had a more suitable spot identified in the City's Master Plan. Several alternate sites were discussed. The issue of the land could be optioned at no cost to the School District and Tax payers. In the final discussion it was said that the City and School District must work together to decide what is best for all. It was agreed to have meetings between City and School Officials to discuss what is best.
