TWINSBURG HIGH SCHOOL

MISSION STATEMENT

The mission of the Twinsburg High School is to serve the community by providing opportunities, which will promote lifelong learning. Our aim is to prepare all individuals with the knowledge, skills, and attitudes that will enable productive, creative and responsible participation in an ever-changing world.

FOREWORD

This Student Handbook was developed to answer many of the commonly asked questions that you and your parents may have during the school year and to provide specific information about certain Board policies and procedures. Please take time to become familiar with the important information contained in this Handbook and keep the Handbook available for frequent reference by you and your parents. If you have any questions that are not addressed in this Handbook, you are encouraged to talk to your teachers or the building principal. This Handbook replaces all prior handbooks and other written material on the same subjects. This Handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board's policies and the School's rules as of _____. If any of the policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guideline prevails. Copies of current Board policies and administrative guidelines are available from the building principal and on the District's web site.

STUDENT RESPONSIBILITIES

The school's rules and procedures are designed to allow students to be educated in a safe and orderly environment. All students are expected to follow staff members' directions and to obey all school rules.

Students must arrive at school on time, prepared to learn and participate. If, for some reason, this is not possible, the student should seek help from Guidance or Administrative staff. Adult students (age 18 or older) must follow school rules. If residing at home, adult students are encouraged to include their parents in their educational program.

In order to keep parents informed of their child's progress in school, parents will be provided information on a regular basis and whenever concerns arise. Many times it will be the responsibility of the student to deliver the information. The school, however, may use the mail or hand delivery when appropriate. Parents have the option of receiving communication from the school via e-mail and/or facsimile by filling out the appropriate form available in the school's administrative office. Parents are encouraged to build a two-way link with their child's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

VISION STATEMENT

Twinsburg High School is a school where...

- All groups work together to prepare students who are positive productive members of society,

life-long learners, and able to access, process, interpret and utilize information.

- It is recognized, and believed, that all students can learn more, and there is an acceptance that style, and rate of learning will vary.
- All groups work to engage and excite students about integrated learning.
- All groups combine their resources to ensure each student the support needed to be educationally successful.
- All groups collaborate to ensure that each student develops a positive self-esteem.
- All educators commit to continuous professional growth and improvement.

RELEASE OF DIRECTORY INFORMATION

Our board policy does not permit the release of directory information to any organization other than the military. The Twinsburg School District will release athletic/school news and recognitions. If you do not want your student recognized, please understand that: Parents and eligible students may refuse to allow the Board to disclose any or all of such “directory information” upon written notification to the Board within twenty (20) days after the receipt of the Superintendent’s annual public notice.

ACADEMIC EXCELLENCE

Achievement and Recognition – Twinsburg High School believes that it is important to recognize students for outstanding academic achievement. The following programs exist to reinforce students who achieve in the classroom.

Academic Recognition Rolls are published each nine weeks grading period.

- * Principal's Roll 4.00 + G.P.A.
- * Honor Roll – 3.50 –3.99 G.P.A.
- * Merit Roll – 3.0-3.49 G.P.A.
- * No grade lower than C- to qualify for any roll.

Academic Awards – As credit towards graduation and class rank is based on semester grades, different types of awards are given to students who achieve Honor Roll status based on his/her first, third, fifth, and seventh semester cumulative grade average.

First Year Award – A Tiger Pride pin and an Academic Twinsburg letter are awarded to all students regardless of grade level, receiving a 3.5 cumulative G.P.A for the first time at THS.

Second Year Award – A Tiger Pride pin and a Lamp of Learning Pin are given to all students

regardless of grade level, who earn a 3.5 cumulative G.P.A. for the second time at THS.

Third Year Award – A Tiger Pride pin and an Academic medallion are given to all students regardless of grade level, who have maintained a 3.5 cumulative G.P.A. for the third time at THS.

Fourth Year Award – A Tiger Pride pin and Academic plaque are given to all students who maintain a 3.5 cumulative G.P.A. for all four years at THS.

Commendation Pins – Each department awards one medallion to outstanding students in each department.

National Honor Society – Junior and senior students who earn and maintain a 3.5 G.P.A. are eligible and may be selected on the basis of leadership, service and character. Graduates wear gold cords representing each year of membership at the Commencement program.

National Merit Scholar – Students may participate in the National Merit Scholarship Corporation Competition by taking the PSAT/NMSQT (Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test) during their junior year. After completion of the SAT test to verify scores, the students may be eligible for Scholarships, provided scores are competitive with other students nationally. A permanent plaque, listing the students, is also displayed in the THS Lobby area.

Suburban League Scholar-Athlete Award—Athletes with a 3.5 G.P.A. are eligible for this award.

Senior Academic Dessert Ceremony – Seniors are recognized who have earned Academic Honors and/or a Scholarship Award during the senior year.

ACADEMIC INTEGRITY

Cheating/Plagiarism – Aristotle may have said it best, “Dignity does not consist in possessing honors, but in deserving them.” When students cheat they only cheat themselves. Cheating keeps the students from learning at a critical point: When the material is challenging and time consuming. By cheating, the student is denied the opportunity to learn the material, to be challenged with an assignment or concept, and to master it.

The education of each student is important to teachers, parents and the community. It should also be important to you, the student! Cheating, plagiarism, or copying homework all stand in the way of your obtaining the education you need and deserve. Your teachers are glad to help.

When you do not understand the material, or are having difficulty mastering it. Please consult them before you consider cheating or copying another student’s work.

It is your education. You are the one who must master the concepts and learn the material. Mastery cannot be accomplished if you cheat.

At Twinsburg High School cheating and plagiarism are two of the most serious offenses against the educational goals of our students. Therefore, the following policy has been adopted. To help you the student, understand what cheating is and how it is defined, the subsequent definition is presented.

Definition of Cheating and Plagiarism – Cheating and plagiarizing involves any of the following actions:

1. Using another person's work as your own.
2. Copying another's homework, test, examination, theme, book report, term paper or downloading material from the Internet.
3. Preparing to cheat in advance of a quiz, exam, or in-class writing with such things as:
 - a. Having in your possession a copy of the test to be given by the teacher
 - b. Using unauthorized notes, references, or devices during the test, exam, or written essay.
 - c. Talking or communicating in any way while taking quizzes, tests, or examinations.
 - d. Failing to follow test procedures or instructions announced by a teacher (such as no talking, no turning around in seat, raise hand to ask questions, or any instructions given by the teacher).
4. Plagiarizing means to use as your own any other person's idea, expression, or words without giving the original author credit.
5. If you are caught cheating or plagiarizing, the following will occur:
 - a. The first offense will result in failure of the quiz, test, or homework, and the score of zero will be recorded. The teacher will notify Parents/Guardians. The incident will be reported to the assistant principal, and recorded in your discipline file. The second offense within a quarter can result in failure of the quarter.
 - c. If cheating continues in class, failure of the semester can result.
 - d. There may be times when further action, by the administration, may be required.
 - e. Repeated acts of cheating and plagiarizing may deny the student access to any and all academic honors and awards (NHS, Academic Banquet, etc...).

ANNOUNCEMENTS

School news via closed circuit TV and/or the High School website may be available for broadcasting. Those wishing to have their announcements read must have it clearly written, signed by the activity advisor, and placed in the P.A. box at least one day in advance. Posted announcements must be pre-approved by an administrator, posted in an approved location. These must be stamped "PUBLICITY APPROVED" by the administration.

ARRIVAL AND DISMISSAL

Arrival/Pick Up - THS opens at 8:00 a.m. When students arrive at school, 9th grade students will report to the gym, 10th/11th/12th grade students will report to the commons. Students will have a temperature check completed by staff before entering buildings.

Dismissal

1. School is dismissed at 3:10 p.m. Students are not to be in the hallway until the dismissal bell rings.
2. Students are not to remain after school unless they are participating in a supervised school activity. If a student is staying for an activity, they must report directly to that activity.

ASSEMBLIES

Assemblies are presented periodically for the purpose of encouraging school spirit, presenting speakers, or recognizing special achievements. Students are expected to be quiet, attentive, and cooperative. Students causing a disturbance will be removed from the assembly and referred to the office for discipline. Their attendance at future assemblies may be denied. All students must report to classes before regularly scheduled assemblies unless otherwise notified by the administration. Seating in the auditorium and/or gym will be by assigned seats unless announced differently. Students are required to attend all assemblies unless prior arrangements are made with an administrator. Cutting an assembly will be treated as a class cut.

ATHLETICS - INTERSCHOLASTIC SPORTS

Twinsburg High School offers a wide variety of teams so that students may develop athletic skills while learning responsibility and good sportsmanship. Fall sports include: boys' football, girls' volleyball, girl's tennis, cross-country, golf, soccer and cheerleading. Winter sports include: basketball, wrestling, hockey, gymnastics, swimming/diving, bowling, and cheerleading. Spring sports include: boys' baseball, girls' softball, boy's tennis and track.

A physical exam and an Emergency Medical Authorization Form are required for all participants. Coaches will provide additional information concerning academic eligibility, team rules, and conduct guidelines.

Good sportsmanship is expected at all times. Students represent Twinsburg City Schools when competing so conduct on and off the field is important.

ATTENDANCE

OHIO LAW REQUIRES STUDENTS TO BE IN ATTENDANCE EACH DAY THAT SCHOOL IS IN SESSION.

Regular school attendance by all students is very important. Too often irregular attendance is the major reason for poor academic performance. Therefore, all students are urged to make dental, doctor, drivers license appointments, do personal errands, shop, etc. on Saturdays, school holidays or after-school hours.

House Bill 410 Requirements

It is important for every student in Ohio to attend school every day. Missing too much school has long-term, negative effects on students, such as lower achievement and graduation rates. There are many reasons students miss school, but districts often can directly impact their students'

attendance. By using data to identify and support students who may need extra support and services, districts can target supports to get students to school every day.

In December 2016, the Ohio General Assembly passed House Bill 410 to encourage and support a preventative approach to excessive absences and truancy. Schools can no longer suspend or expel students for missing too much school. Instead, districts will amend or adopt policies that outline the district's interventions and plan for students who are excessively absent or truant from school.

Regular school attendance is an important ingredient in students' academic success. Excessive absences interfere with students' progress in mastering knowledge and skills necessary to graduate from high school prepared for higher education and the workforce. To support academic success for all students, the district will partner with students and their families to identify and reduce barriers to regular school attendance. The district will utilize a continuum of strategies to reduce student absence including but not limited to:

- Notification of student absence to parent or guardian;
- Development and implementation of an absence intervention plan, which may include supportive services for students and families;
- Counseling;
- Parent education and parenting programs;
- Mediation;
- Intervention programs available through juvenile authorities; and
- Referral for truancy if applicable.

Late arrivals, early departures and absences will be recorded as follows:

Tardy - Students arriving to school between 8:15 – 8:45 am will be marked "tardy."

Partial Absence- Students arriving to school between 8:46 – 11:29 am will be marked "partial absence"

Full-Day Absence - Students arriving to school after 12:30 a.m. or leaving school before 11:30 a.m. will be marked "full day absent."

Students arriving to school between 11:30 a.m. – 12:30 a.m. will be ½-day a.m. absence.

Students leaving school between 11:30 a.m. – 12:30 a.m. will be marked ½ day p.m. absence.

Any full day or ½ day absences that are unexcused will be recorded as truancy from school. (See UNEXCUSED ABSENCES section for disciplinary consequences).

*Students that are participating in Extra Curricular or other school related activities must be in attendance for at least half of the school day. Special circumstances will be considered by the administration.

ABSENCE PROCEDURES

Students are expected to be in attendance each school day unless his or her absence is excused pursuant to Ohio law (See EXCUSED ABSENCES section for legally acceptable reasons for absences). If a student is absent, a parent/guardian must call the Attendance Office at

330.486.2407 to report the absence. Voicemail messages can be left on the Attendance line 24 hours a day, 7 days a week.

All calls to the attendance office must be received by 9:00 a.m. the day of the absence. In the case of a prolonged absence due to serious illness, prior arrangements are to be made by providing medical documentation from a licensed medical provider or facility.

If no parental call is received on the day of the absence, a reminder phone message will be sent to the student's primary contact phone number via the Blackboard Connect Rapid Notification System (See Blackboard Connect section). The student will be listed as unexcused and forfeit the right to make up the missed work unless a parent/guardian phone call or note is received within 24 hours of the absence. The unexcused absence will be recorded as truant, and the student will receive a disciplinary consequence in accordance with the discipline policy. (See TRUANCY section). Note: Medical documentation must be received within two (2) weeks of a student's return to school after an illness or extended medical leave.

EXCUSED ABSENCES - It is highly recommended that documentation to substantiate absences be submitted.

A. **Pursuant to Ohio Law**, reasons for which absences may be excused include:

1. Personal Illness
2. Serious illness in the immediate family
3. Quarantine for contagious disease
4. Death in the family
5. Religious holiday
6. Superintendent / administrative judgment

B. Pursuant to Twinsburg School District policy, reasons for which absences may be excused include:

1. Medical appointments or medically-related absences (i.e., doctor's appt., medical testing, oral surgery, etc.).
2. Mandatory court appearance
3. Hospitalizations / surgeries
4. Lock-ups or detention facility placement
5. Military appointments
6. Approved religious events
7. Other absences must be excused by school administration (on a limited basis).

*A medically excused absence occurs any time a student is out of school due to illness or medical visit (physician, dentist, mental health, etc.). A medical excuse for personal illness will be accepted in the form of doctor's note within five (5) school days of the absence or a parent call-in on the day of the absence due to illness or doctor's visit. A student may have up to ten (10) medically excused absences without a doctor's note, but with a phone call from a parent/guardian. For the **2020-2021 school year**, medically excused absences will

be accepted through this process for students participating both in-person and remotely. This policy will be extended beyond ten (10) days if the student or someone in the student's family is in quarantine due to the recognized pandemic/epidemic (e.g., COVID-19) or experiencing symptoms of the pandemic/epidemic.

NON-ABSENCES – Non-absences are not counted as absences from school.

The following types of absences will be marked as non-absences:

1. School Sponsored Field Trips (including Cuyahoga Valley Career Center)
2. School Sponsored Sporting Events
3. School Sponsored Testing
4. **Pre-Authorized** College Visits (Student must submit Pre-Arranged Absence Form to Attendance Office at least one week prior to the date of absence and verification of the visit, i.e. confirmation letter or email from college that includes student's name and date of visit).
5. **Pre-Authorized** Job Interviews (Student must submit verification from the employer noting the date and time of interview, as well as employer's name and contact number).

UNEXCUSED ABSENCES - Students who are marked with an unexcused absence from school will receive a Saturday detention for their first offense and a referral to the Assistant Principal for subsequent offenses. Students forfeit the right to make up any missed assignments, etc. for the unexcused day(s).

The following types of absences will be marked as unexcused absences:

1. No Parent/Guardian phone call or note to report absence (must be received within 24 hours, or provide medical documentation, following an unexcused absence in order for absence to be changed to excused).
2. Oversleeping
3. Car trouble, traffic conditions, etc.
4. Missing the bus
5. Missing school due to dress code violations
6. Personal days
7. Non-school sponsored sporting events (unless participating with administrator prior approval)
8. School skip days (i.e. senior skip days)
9. Truancy / refusal to attend school
10. Non-school approved calamity days
11. Hair / nail appointments

Habitually truant is defined as by HB 410 as missing 30 or more consecutive hours, 42 or more cumulative hours in a month, or 72 or more cumulative hours in a year that are unexcused. Even excused absences will be reported within 7 days if a student misses more than 38 hours in a month or 65 hours in a year. (See Student Conduct Code Rule 8). An intervention plan will be developed

for students who are excessively absent from school.

UNEXCUSED AUTHORIZED ABSENCES - Unexcused Authorized absences are counted as unexcused absences but students have the ability to make up missed assignments. Unexcused authorized absences require the use of a Pre-Arranged Absence Form. The following types of absences will be marked as unexcused authorized absences:

1. Vacations
2. Out-of- town trips
3. College visits without preauthorization
4. Ohio Bureau of Motor Vehicle appointments without preauthorization
5. Senior picture appointments without preauthorization
6. Family emergencies (not related to illness in the immediate family)

EXCESSIVE ABSENCES FROM SCHOOL - Students, who are excessively absent, both excused and unexcused, may forfeit academic credit, per individual class, for the semester. School- related absences, absences excused by a medical provider, and absences related to disciplinary action (i.e. O.S.S., A.L.E., and T.A.P placement do not count toward this total).

ATTENDANCE PROBATION -Twinsburg High School has established a maximum of fifteen (15) days of accumulative absences per school year for Attendance Probation. Included in the totals are excused absences without medical documentation, unexcused absences, unexcused authorized absences, truancies, and full and partial (1/2 day) absences. The only exemptions are absences relative to medically documented leaves of absences, family deaths, military, religious, disciplinary-related absences, and other non-absences, such as school-sponsored field trips, etc.

Once a student accumulates fifteen (15) days of absences during the school year, the student is placed on Attendance Probation and only a medical provider's written documentation (for each occurrence) will be accepted to excuse an absence. The student's absence will be marked unexcused until medical documentation is received, and the student will forfeit the right to make up missed assignments, tests, etc.; medical documentation must be received within 24 hours.

A student placed on Attendance Probation will have driving privileges revoked, and no refunds for permits will be issued. Attendance Probation, without medical documentation, will lead to the development of a required intervention plan to address the excessive absences from school.

Note: In limited extenuating circumstances, with evidence of hardship, may be appealed to the student's Assistant Principal for consideration of meeting attendance requirements through alternative educational pathways. The following actions are designed to assist a student with attendance problems, and to prevent negative consequences that result from the student's failure to attend school/class in the following 3 steps:

(1.)Unexcused absences: Attendance report mailed home to parent/guardian. (2.)Excused or unexcused absences: Attendance report mailed home to parent/guardian with a warning of attendance probation and conference. (3.)Written notification to parent/guardian of student's placement on attendance probation (for the rest of the school year unless medical documentation is received) and an attendance conference will be held.

Habitually truant is defined as by HB 410 as missing 30 or more consecutive hours, 42 or more cumulative hours in a month, or 72 or more cumulative hours in a year that are unexcused. Even excused absences will be reported within 7 days if a student misses more than 38 hours in a month or 65 hours in a year. (See Student Conduct Code Rule 8).

PRE-ARRANGED ABSENCES - Students who are absent due to vacation, out-of-town trips, college visits, or extended medical leaves, must submit a completed Pre-Arranged Absence Form at least one week prior to the first day of absence. This form can be obtained in the Attendance Office or downloaded from the Twinsburg City School District website, www.twinsburg.k12.oh.us and select "Schools," select "Twinsburg High," select "Forms and Documents," and then select the "Pre-Arranged Absence Form" link to download the form. The form must be signed by an authorized parent/guardian, and students must obtain signatures from all current teachers. The form should then be submitted to the Attendance Office for final authorization by the student's Assistant Principal. With the exception of extended medical leaves, students are responsible for making arrangements with their teachers for any work missed within the approved time period.

MAKE- UP WORK - Students who are absent due to vacations, out-of-town trips, or college visits are responsible for making prior arrangements with their teachers to make up missed work. The best way is for students to contact teachers directly through email on the district website:

www.twinsburg.k12.oh.us select "Schools," select "Twinsburg High," select "THS Directory," and then click on the first letter of the teacher's last name and send an email.

Students who are excused absent for at least three (3) consecutive days, or students who are on an extended medical leave of absence with documentation, may, upon request by a parent/guardian, have work collected by the Guidance Office 330.486.2406 for pick up after 24 hours' notice. **INCOMPLETE WORK** - It is the responsibility of the student to be sure that all assigned work is completed on time. If the student's absence is marked excused or unexcused authorized, the student shall receive an "I" for incomplete for missed work. Incompletes which are not made up within the same number of days that the student has missed plus one will automatically revert to an "F." Daily work missed due to minor illness, needs to be completed by the next school day, unless the teacher approves an extension. Long-term assignments, given prior to short-term absences, are due on time. If a student does not take a scheduled semester exam and has not been excused, an "F" will be recorded and the semester failed.

ATTENDANCE WAIVER - A conference may be requested by a parent/guardian with the Attendance Coordinator, Attendance Secretary and/or Assistant Principal to examine specific cases pertaining to medical and emergency situations, parents/legal guardians will be required to provide proper documentation in order to qualify for a waiver.

EARLY DISMISSAL/PICK UP -Parent pick-up of students will require a written notification to the office. Emails are not sufficient notice as the secretary may be absent and the email will not be accessed. This is to ensure your child's safety. We encourage advanced notification due to the large number of parent pick-ups. During the day pick-up is in the school office. Photo identification is required every time for parent pick-up. If someone other than a parent will be picking up your child, please be sure they appear on your child's emergency card.

TARDY TO SCHOOL - Punctuality is a trait expected of everyone. Whether the student's going to work, an appointment, or school, it's essential that he/she recognize the importance of being punctual. Classes begin at 7:15 a.m.; students not in class after 7:15 am must sign in tardy. Failure to sign in will result in disciplinary action. Students arriving to school "tardy" due to a medical appointment or medical illness/condition, such as asthma, allergies, migraines, etc., must provide medical documentation, as well as have an authorized parent/guardian report their tardiness to the Attendance Office in order for the tardy to be excused. All other tardies, including non-school related transportation problems, will be counted as unexcused. Students are allowed two (2) excused tardies to school each semester without penalty. After two unexcused tardies the following penalties apply:

Consequences:

For every 5 tardies 1 day of A.L.E. will be assigned
16 or more unexcused tardies Administrative discretion

Excessive tardiness will be considered truancy and will be reported to the Attendance/Residency Officer.

Afternoon detentions are held from 2:15 pm to 3:15 pm and are scheduled on the Tuesday, Wednesday, or Thursday following the day of the tardy violation.

Extended detentions are held from 2:15 pm to 5:15 pm on the Thursday following the day of the tardy violation. (Scheduled days are subject to change).

Parent/Guardians are notified of scheduled detentions via the Blackboard Connect system or a phone call from the Attendance Office.

TARDY TO CLASS/LUNCH – All students are expected to be in their assigned area by the tardy bell. Although students will be admitted to class when arriving late, tardiness will result in teacher assigned detentions, and, eventually, disciplinary office referrals.

Consequences:

- 1 tardy Teacher Discretion
- 2 tardies Teacher Discretion
- 3 tardies Phone call to parent
- 5 tardies Phone call to parent
- 6/or more Administrative discretion

Any period absence longer than 5 minutes, without a legitimate excuse, is considered a class cut.

Tracking Remote Attendance

Consistent with the Remote Learning Plan submitted to the Ohio Department of Education, the District will provide a variety of instruction models, including both teacher-led remote learning and self-directed remote learning. Student attendance in teacher-led remote learning (synchronous

web-based instruction) shall be tracked in the same manner as hourly, in-person instruction. Teachers will meet in Professional Learning Communities (PLCs)/Departments to determine, by consensus, hourly attendance by evidence of student login and logoff data. Teachers are encouraged to verify meaningful attendance in a method selected by the teacher, such as an ungraded quiz at the close of a lesson, a survey or poll questions (unrelated to the lesson and unpredictable) at the end of the lesson, or asking students questions at random throughout a session.

In addition to the reasons listed at the beginning of this policy, absences from teacher-led remote learning (synchronous web-based instruction) may be considered excused under the following circumstances:

- temporary internet outage for individual students or households,
- unexpected technical difficulties for individual students or households, such as password resets or software upgrades occurring during a teacher-led remote learning lesson,
- computer/device malfunction, or
- malfunction of a District-owned device for which the District is providing technical assistance, repair, or replacement.

Attendance in self-directed remote learning (asynchronous) shall be tracked by evidence of participation, which may include, but is not limited to:

- daily logins to learning management systems,
- daily interactions with the teacher to acknowledge attendance, which may include, but are not limited to: messages, emails, telephone calls, video chats or other formats that enable teachers to engage with students, and assignment completion.
- The Professional Learning Community (PLC)/Department will determine the number of hours a typical student would take to complete an assignment and report those hours of attendance when the assignment is completed. A teacher may adjust the number of hours of attendance based on the length of time the student actually spent on the assignment, as reported by the student, parent, or other person with knowledge. (Board Policy 5200)

AWARDS

Students may be recognized for special achievements in many ways including: commendations, perfect attendance certificates, and academic excellence plaques/awards.

BLACKBOARD CONNECT

Blackboard Connect - Keeping you informed is a top priority at the Twinsburg City School District. That's why we have adopted the Blackboard Connect Notification Service which will allow us to send telephone messages to parents/guardians about school emergencies or events, school delays or cancellations due to inclement weather. Parents/Guardians may also be called to verify absences. The Blackboard Connect email notification will also provide information about school events.

What you need to know about receiving calls sent through Blackboard Connect:

- Your Caller ID will display the school's main phone number when general messages or attendance calls are delivered. Only the student's primary contact person will get these type of calls.
- Your Caller ID will display 411.000.0000 if the message is an emergency. Up to four people designated as emergency contacts will get this type of call.
- Blackboard Connect will leave a message on any answering machine unless it has a privacy manager.
Blackboard Connect will leave a message using direct dial numbers only - no extensions.
- Please keep your contact phone numbers up to date and notify your building secretary with any changes.

BULLYING PREVENTION

The staff in the Twinsburg City School District makes anti-bullying education a priority. Through our on-going character education program, classroom guidance, small group and individual guidance, positive behavior procedures, Character Word of the Week, and assemblies students are taught about bullying and what to do if they are bullied or witness someone else being bullied. Please support this effort at home by reminding your child to tell an adult right away if they see someone bullying another student. Please also refer to the Code of Conduct RULE 22: Harassment/Bullying at the end of this handbook and Board of Education Policy 5517.01.

CAFETERIA

LUNCH/BREAKFAST PROGRAMS AND PROCEDURES

Student breakfast and lunch programs are designed to provide every student with balanced meals that are both nutritious and tasty. For the 2021-22 school year, the Twinsburg City School District will participate in the Summer Seamless Program offered through the Ohio Department of Education (ODE) and the United States Department of Agriculture (USDA). This means that all children, regardless of income levels, can receive breakfast and lunch for free during the 2021-22 school year. While both breakfast and lunch are free to all students for the 2021-22 school year, any component (milk, juice, etc) that is ordered is not covered under the Summer Seamless Program. While these items are a part of breakfast and lunch, we only receive reimbursement from the government if a student orders a full breakfast or lunch. Therefore, if a child at any school

orders only milk, the a la carte price (milk is .50 cents) will be charged. Additionally, we do offer other a la carte items to our older students (grades 7-12), which, like the milk at the lower levels, is at an additional cost.

Since our District cannot accept cash as a payment in the 2021-22 school year, parents/guardians can pre-pay for these extra items by utilizing SPS EzPay or by dropping a check (made payable to Twinsburg Food Services) into one of our locked drop boxes in the Welcome Center of each school. For more information about our Food Services Program, please contact our Food Services Supervisor/District Dietician Mr. Mark Bindus at mbindus@twinsburgcsd.org.

CALAMITY DAYS

There will be no practices, meetings, contests, or other related activities on a day when school is cancelled by the superintendent due to inclement weather. Any special events to occur will do so at the discretion of the superintendent. In the event of severe weather or other calamity necessitating the closing of school, a phone call will be made to the student's primary contact person's phone number and announcements will also be made on the district's website, local television and radio stations.

CLASS RANK

Please know that beginning with the freshman class of 2020 and beyond, Twinsburg High School students' class rankings will no longer be publically reported. As such, the rank will no longer be printed on individual report cards or transcripts. Students' GPAs will be recognized through academic honors awarded similar to the college honor system:

- Summa Cum Laude: 4.0 and above
- Magna Cum Laude: 3.75 to 3.99
- Cum Laude: 3.5 to 3.74

An Honors Diploma is awarded to seniors achieving prescribed criteria set by the Ohio State Department of Education. Students should see their counselor for specific criteria.

CLINIC AND MEDICAL INFORMATION

Injury or illnesses occurring during the school day should be reported immediately to the supervising teacher. He/she will issue an excuse admitting the student to the clinic. No student who is ill is to call his parents from the school phone and leave the building without permission. It should be understood by parents and students that clinic and office personnel are forbidden to diagnose ailments or **dispense medication without a medical authorization form, including aspirin**. Students who are too ill to attend class are generally too ill to remain in school (the health department states that any student with an elevation in temperature of 100 degrees or over should not remain in school.) Parents will be notified to arrange for transportation when necessary. The child should remain home for 24 hours fever free without fever reducing medication before returning to school. Students should remain home for 24 hours after the last episode of vomiting. The nurse will investigate reasons for an unusual number of clinic visits and parents will be notified. Parents must provide each student with the name of some relative, neighbor, or doctor who the school will contact if they are unable to reach the parents in case of emergency. A student emergency card is on file in the office for this purpose.

All communicable diseases should be reported to the school nurse.

Medication policy: should it be necessary for a student to take medication at school, parents must adhere to the board of education procedure 5330. See the information and form included in student folder. Forms are available in the school office.

Use of medications: students, who must take prescribed medication during the school day, must comply with the following guidelines:

- *Parents should determine with the counsel of their child's prescriber whether the medication schedule can be adjusted to avoid administering medication during school hours.
- *The appropriate form must be filed with the respective building principal and/or clinic before the student will be allowed to begin taking any medication during school hours or to use an inhaler to self-administer asthma medication. Such forms must be filed annually and as necessary for any change in the medication.
- *All medications must be registered with the clinic and must be delivered to school in the original containers in which they were dispensed by the prescribing physician or licensed pharmacist, labeled with the date, the student's name, and the exact dosage to be administered.
- *Medication that is brought to the clinic will be properly secured. Except as noted below, medication must be delivered to the school nurse by the student's parent or guardian or by another responsible adult at the parent or guardian's request. Except as noted below, students may not bring medication to school. Students may carry emergency medications for allergies and/or reactions, or asthma inhalers during school hours provided the student has written permission from a parent and physician and has submitted the proper forms. In the case of epinephrine auto injectors ("epi pens"), in addition to written permission and submission of proper forms, the parent or student must provide a backup dose to the school nurse. Students are strictly prohibited from transferring emergency medication, epi pens, or inhalers to any other student for their use or possession.
- *Medication may be conveyed to school directly by the parent or transported by transportation personnel (bus driver and/or bus aide) at parental request. This should be arranged in advance.
- *If, for supportable reasons, the principal wishes to discontinue the privilege of a student self-administering a medication, except for the possession and use of asthma inhalers, the parent(s) shall be notified of the decision in sufficient time for an alternative means of administration to be established.
- *Any unused medication unclaimed by the parent will be destroyed by school personnel when a prescription is no longer to be administered or at the end of a school year.
- *The parents shall have sole responsibility to instruct their child to take the medication at the scheduled time.
- *The school nurse will maintain a log noting the personnel designated to administer medication, as well as the date and the time of day that administration is required. This log will be maintained along with the prescriber's written request and the parent's written release.
- *Non-prescribed (over-the-counter) medications - no staff member will dispense non-prescribed,

over-the-counter (OTC) medication to any student without prior parent and physician authorization. Parents may authorize administration of a non-prescribed medication on forms that are available from the principal's office. Physician authorization is also required in such cases.

If a student is found using or possessing a non-prescribed medication without parent authorization, the student will be brought to the school office while the student's parents are contacted for authorization. The medication will be confiscated until written authorization is received. Any student who distributes medication of any kind or who is found in possession of unauthorized medication is in violation of the school's code of conduct and will be disciplined in accordance with the drug-use provision of the code. A student may possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms or before exercise to prevent the onset of asthmatic symptoms, at school or at any activity, event, or program sponsored by or in which the student's school is a participant if the appropriate form is completed and on file in the clinic. A student who is authorized to possess and use a metered dose or dry powder inhaler may not transfer possession of any inhaler or other medication to any other student.

IMMUNIZATIONS:

Students must be current with all immunizations required by law, including but not limited to poliomyelitis, measles, diphtheria, rubella, pertussis, tetanus, and mumps, or have an authorized exemption from State immunization requirements. Kindergarten students must be immunized against Hepatitis B and chicken pox. For the safety of all students, the school principal may remove a student from school or establish a deadline for meeting State requirements if a student does not have the necessary immunizations or authorized exemption. In the event of a chicken pox epidemic, the Superintendent may temporarily deny admission to a student otherwise exempted from the chicken pox immunization requirement. Any questions about immunizations or exemptions should

be directed to the school nurse.

CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASES:

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The School's professional staff may remove or isolate a student who has been ill or has been exposed to a communicable disease or highly-transient pest, such as lice.

Specific communicable diseases include diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the Local and State Health Departments.

Any removal will be limited to the contagious period as specified in the School's administrative guidelines.

Vision and Hearing Screening

The purpose of vision and hearing screening is to aid in the detection of school-age children who have or are at risk for developing a vision/hearing disorder. These screenings are required by the Ohio Department of Health on an annual basis and will be administered during the school year to the following students:

- All new students (with no previously documented screenings)
- All students in grades K, 1, 3, 5, 7 (vision only), 9 and 11
- All students with undocumented follow-up from the previous school year

COLLEGE TESTING

ACT and SAT national college exam information is available from guidance counselors. THS's school code is #365125.

CONDUCT AT SCHOOL EVENTS

Students planning to attend events must leave the school grounds and return when the event begins. ***No student is to stay after unless permission from a principal has been given. Failure to adhere to this policy may result in denial of access to after school programs.***

Students are encouraged to attend as many after school events as possible, without interfering with their school work and home activities. Enthusiastic spectators help to build school spirit and encourage those students participating in the event.

It is strongly advised that students attending evening events as nonparticipants be accompanied by a parent or adult chaperone. The Board is not responsible for supervising unaccompanied students nor will it be responsible for students who arrive without an adult chaperone.

COUNSELING

The guidance department of Twinsburg High School subscribes to the belief that "guidance is for everyone." They exist to serve students and their parents. The guidance department is prepared to assist in dealing with academic needs, occupational planning, social-emotional, and personal concerns of students. All problems and concerns shared with counselors will be held in strict confidence unless prohibited by law.

Appointments can be made through the guidance department secretary. Unless it is an emergency, appointments should be made at least one (1) day in advance. If a student needs to see a counselor without an appointment due to an immediate problem, tell the guidance secretary immediately upon arrival so that your classroom teacher can be notified, non-emergency visits to the counseling offices require a pass from your classroom teacher. Guidance counselors are located in the main office. Each student is assigned a primary counselor according to the student's last name. Students may switch primary counselors only with administrative approval. Each guidance counselor specializes in different areas of guidance in addition to general guidance. Students may need to spend time with other counselors to gain additional information. Administrative approval, and/or approval of the primary counselor is required for changes in a student's program/schedule.

COURSE CHANGES

Students and parents complete course request forms during the scheduling process in February and March for the next school year. However, there is no guarantee that courses selected will be offered due to enrollment, staffing, etc. Students receive a course verification form in the mail to allow for adjustments to be made prior to the beginning of classes. Students are expected to attend the classes that they have pre-selected.

CREDIT FLEXIBILITY/EDUCATIONAL OPTIONS

Please make an appointment to meet with your assigned guidance counselor.

CUSTODY

Students must reside within the Twinsburg City School District with his/her legal custodian to attend the Twinsburg City Schools. A copy of the legal document giving a parent custody (in case of a separation or divorce) is required when students are enrolled. For the protection of the student, when a custody change occurs for a student already enrolled in school, a copy of the court order giving custodial rights should be given to the school to place in the student's file.

DANCES

Various clubs or student groups sponsor dances throughout the year. These dances are for Twinsburg High students only. Any non-students wishing to attend any dances need to have approval from an administrator prior to attending. No guest over the age of 20 will be permitted to attend Twinsburg High School dances.

DEBTS

Various scheduled fees are due. Students have the responsibility of paying all financial obligations before the end of the school year. Report of grades and copies of records will be withheld on a nine-week basis for fees, fines, athletic equipment, or damaged property, and charges that have not been paid. Contact the principal if you have any problems with meeting the deadlines. Please note that students with fees not paid, will not be able to attend functions such as Homecoming, Prom, Commencement, and other school related activities; until fees are paid.

DIRECTORY INFORMATION AND FERPA

Each year the Superintendent shall provide public notice to students and their parents of its intent to make available, upon request, certain information known as "directory information." The Board designates as student "directory information": a student's name; address; telephone number; date and place of birth; major field of study; participation in officially-recognized activities and sports; height and weight; if a member of an athletic team; dates of attendance; date of graduation; or awards received. Please also refer to Board of Education Policy 8330 regarding Student Records. Parents and eligible students may refuse to allow the Board to disclose any or all of such "directory information" upon written notification to the Board within twenty (20) days after receipt of the Superintendent's annual public notice.

DRESS GUIDELINES

All students are expected to be clean, decently attired, well groomed, and dressed in a manner that does not cause undue attention or disruption. *Dress code also includes facial coverings/masks, see Rule #38 in Code of Conduct.

1. Clothing with pictures or sayings which are in poor taste is not allowed. (Including anything chemical, alcohol, or sexual related.)
2. A-Shirts (undershirt) are not permitted.
3. See-through clothing is not permitted.
4. Bare midriff, low cut or braless outfits are not permitted.
5. Bare feet are not permitted.
6. Shorts and skirts are permitted no less than fingertip length. No exposed skin (holes) is permitted above fingertip length.
7. Hats, head wear, gloves and sunglasses are to be taken off when students enter the building and kept in the locker.
8. Coats are for outside wear only and are to be kept inside the student's locker. Students that wear the hood on a hooded sweatshirt may be asked to remove the sweatshirt.
9. Glitter, face paint, stickers, and colored hair spray and excessive makeup are prohibited. Drooping or sagging pants are not permitted. Dog chains around the neck or pants or accessories with studs are prohibited.
10. Backpacks and bookbags must be kept in the student's locker.

The guidelines listed above are presented as examples and are not a comprehensive list. A student may be asked to change out of any article that, in the judgment of the principal, is considered to be in violation. The student's parents may be called if a change of clothing is needed. Repeated violations may result in further discipline. *Students will be placed in A.L.E. for the day or until proper clothing is provided from home.

DROPPING COURSES

If a student drops a course during the first two weeks of the semester, the course will not be recorded on the student's permanent record. After this time period, a dropped course will revert to "WF" if the course is being failed. If the grade is passing, a "WP" (withdrawn) will be placed on the records and no credit will be given. Courses may be dropped only with the approval of the counselor, parent(s)/guardian(s), teacher and instructional leader. A "WF" will be computed into the G.P.A. A "WP" will not be computed into the G.P.A.

DUE PROCESS

Before a student is suspended, expelled, or permanently excluded from school, there are specific procedures that must be followed.

There are two facets to due process: substantive and procedural. Substantive due process

provides for fair and reasonable treatment under the law in satisfying a person's due process rights; a student can expect to receive written notice of intent to suspend or expel and the reason(s) for such action. The student will be given the opportunity to explain his/her actions or challenge the reasons. Within twenty-four (24) hours after the time of a student's suspension, written notice of suspension will be sent to the parent(s)/Guardian(s). The notice will specify the duration of the suspension and the reason(s) for the suspension, as well as the right and procedure to appeal.

Prior to expulsion, the Superintendent will give the student and his/her Parent(s)/Guardian(s) written notice and provide an opportunity to appear to explain the student's actions or challenge the reason(s). The notice will include reason(s) for the possible expulsion and the time and place of the appeal hearing. Within twenty-four (24) hours after the time of an expulsion, the Superintendent will send written notice to the student and his/her parent(s)/guardian(s). The notice shall specify the duration of the expulsion and reason(s) for the expulsion. It shall also include notification of the right to appeal.

As long as the in-school discipline is served entirely in the school setting, it will not require any notice or meeting, or be subject to appeal.

Students with disabilities are entitled to the rights and procedures afforded by the Individuals with Disabilities Education Improvement Act (I.D.E.I.A.), and, where applicable, the Americans with Disabilities Act (A.D.A.), and/or Section 504 of the Rehabilitation Act of 1973.

For further information, refer to Board of Education Policy 5611.

EARLY GRADUATION

A student may complete graduation requirements before a student's class is scheduled for graduation. Students desiring early graduation are to notify the counselor during the second semester of their sophomore year. After the parental/guardian consent is given the principal will act upon all requests for early graduation. This is intended for academically accelerated students.

EARLY RELEASE

THS seniors please see your assigned guidance counselor if you are interested in applying for Early Release, which must be approved by a THS administrator.

EIGHTEEN YEARS OLD OR OLDER

All rules, regulations and policies apply to eighteen year old and older students in the same manner as they do all students. All students must have notes or telephone calls from parent(s)/guardian(s) excusing their absence from school, granting permission to leave school, or to change a schedule.

EMERGENCY CLOSING

In the event of severe weather or other calamity necessitating the closing of school, a phone call will be made to the student's primary contact person's phone number, and announcements will also be made on the District's website, local television and radio stations.

EMERGENCY MEDICAL AUTHORIZATION

It is a school requirement that each student must have an emergency medical form filled out, signed by parents and on file in the school office. If there is any change in information during the year, please notify the school office immediately. Failure to comply may lead to disciplinary action.

EMERGENCY PARENT NOTIFICATION

It is imperative that the school be able to contact parents during the school day. Should school have to be dismissed early due to an emergency, we will attempt to contact all parents. Parents are encouraged to include a neighbor's name and phone number for "early dismissal" purposes online in the e-PowerSchool Enrollment-section to be completed at the beginning of each year. All children should be directed to report to a neighbor's home in case of an emergency. Parents should keep the school office informed of telephone number changes that should be made on the emergency cards during the school year. It is also a good idea to leave email information for your child's teachers.

ENTERTAINMENT EQUIPMENT

Electronic equipment which may disrupt your education is not to be brought to school. Failure to comply may result in disciplinary action that could include, but not be limited to the confiscation of aforementioned items until the end of the school year. ***All confiscated items may be released to the parent/guardian of the student during school hours the next school day.***

EXAM POLICY

Written exams will be given at the end of each year in all classes.

Students deliberately not taking final exams will have the grade handled in the following manner:

1. Final exam becomes an F.

EXTRACURRICULAR ACTIVITIES

There are numerous activities and organizations available. In most cases, a student must meet the Ohio High School Athletic Association academic eligibility requirements in order to participate.

EXTRACURRICULAR ACTIVITIES

Academic Challenge – Twinsburg fields a team as seen on television. Experience is important to success, so get involved early.

Athletics and Sports – Freshman, Junior Varsity, and Varsity teams are fielded for boys and girls. Twinsburg is a member of the Suburban League and Ohio High School Athletic Association (OHSAA.)

Bands – Concert, Marching,– Instruction and camaraderie afford a student musical skill and friendships.

Class Officers – Student elections are generally held in the spring. Four officers represent the class, coordinate class projects, and provide leadership for their classmates. Class activities are

done with the supervision of class advisors.

Drama – Students demonstrate their skills through plays and productions.

Drama Tech Crew – The two primary objectives of this group are: (1) to learn about the technological part of theater, and (2) to help people in and around the community with the technical aspects of a state-of-the-art auditorium. After training on the equipment, the students run all technical parts of the auditorium for school and community groups who would use the facility.

Ensembles – Swing Choir, Girls' Ensemble, Boys' Ensemble and Barbershop Quartet practices and rehearses generally once or twice a week. Performances are given for the student body, evening performances for the community, and competitive performances are held locally and regionally.

Foreign Exchange Club – Learn more about foreign countries and cultures first hand by acquainting yourself with a foreign exchange student.

Language Club – This is the opportunity to learn more about foreign languages through films, speakers, and cultural experiences.

Majorette and Drill Team – These groups perform with the band during football season.

National Honor Society – This is a national organization, which recognizes and promotes scholarship, character, leadership and service.

Members are chosen through the following process:

1. All students in grades 11-12 with a 3.5 cumulative grade point average and above are eligible for consideration for membership in National Honor Society. However, a high G.P.A. does not insure membership. Extracurricular participation, community service and leadership roles play a role in the selection process.
2. Officers of N.H.S. will distribute information forms to candidates, with a deadline for handing them in. Students who do not turn in their forms on time will not be considered for membership. This form asks students to list extracurricular activities, community activities, leadership positions and work experiences, awards and recognition. The student must list a minimum of two on-going activities in each category to be eligible for membership. By ongoing, it is intended that the activity listed be a commitment over a range of time. For example, a student may be active in scouting, including a single event such as organizing a special program. Less weight would be given to an experience such as "participated in community clean-up day" because it involves less time than other on-going experiences.
3. After forms are received, the advisor compiles a ballot for the faculty to consider. Faculty members are asked to rate students they know on character, leadership, service, and scholarship, on a five point scale, (five being "highly recommended," one being "cannot recommend.")
4. Faculty ballots are compiled and an overall average is determined. For final consideration, a student's score should be above average in each area. Scores and individual's information remains confidential and material is purged after selections are determined.
5. The Faculty Selection Council (five members, appointed by the principal) then meets to

consider which students will become members of N.H.S. The chapter advisor acts as ex officio (non-voting) member of the council. A vote is taken on candidates with careful consideration given to their scholarship, service, character, and leadership. Student information forms and the teacher survey are used to help determine membership.

6. Students will be informed of their selection for membership by letter. Once a student becomes a member, it is expected that they will maintain at least a 3.5 G.P.A. and continue to be highly involved in school and community activities as members and leaders.

Student Government – Student representatives present ideas, concerns and insights for the governance of the school. Project organization and coordination demonstrates student leadership.

Upon request to the superintendent's secretary, the District shall make reasonable accommodations for a disabled person to be able to participate in these activities.

FEES

The Twinsburg City School District will charge the following Student Academic Fees for the 2021-22 school year: \$75 for the Integrated Preschool Program (IPP), \$85 for the Kindergarten Preparatory Program (KPP), \$80 for grades K-3, \$95_ for grades 4-6, \$90 for grades 7 & 8, \$55 for grade 9, and \$47.50 for grades 10-12. This fee covers part of the District's expense for testing and consumable items like workbooks. All students are expected to pay this fee. However, those with a financial hardship who are part of the free lunch program will have their student fee waived. For those receiving reduced price lunches, the academic fee will be reduced by 50%. Course fees and co-curricular fees may also apply and are also eligible for a fee waiver/reduction depending on free or reduced price lunch status. In addition, fees will be assessed to students participating in extracurricular activities. Extracurricular activity fees, including those charged for participation in athletics and club activities are eligible for a fee reduction. Please refer to the Board approved Student Fee Schedule which can be obtained through your child's school office or found on the District website at www.twinsburgcsd.org.

FIELD TRIPS

The following policies govern all school trips:

- A. Teachers must have permission slips, with emergency telephone numbers, signed by parents/guardians, in order for students to participate in field trips.
- B. All school rules must be followed.
- C. Faculty members are in complete charge of all students.
- D. Any student with inappropriate behavior or poor scholastic achievement may be denied the privilege of future trips, or other appropriate action will be taken.
- E. At times it may be NECESSARY TO CHARGE a fee for the trip.

FIRE DRILLS AND TORNADO ALERTS

Fire drills are held from time to time without warning. Information concerning fire exits is posted in each room. When the signal is heard, all students are requested to walk quickly and quietly out of the building and remain out of the building until told to return. THS complies with all fire safety laws and will conduct a fire, tornado, and grade-level appropriate ALICE school safety drills in accordance with state law.

Tornado Alert Drills will also be held throughout the school year. Such drills are necessary and serious. Students must cooperate fully by listening to directions carefully and not talking, running, or otherwise fooling around.

In the event of a "Tornado Warning" (which means that a tornado has been sighted or indicated on radar), the students will do the following:

1. Total silence is to be maintained. Listen carefully to all instructions.
2. Follow your teacher in a single file line from your room to the designated areas within the school. Move in a slow, orderly manner.
3. If directed to do so, kneel down, place your heads between your knees, and cover your heads.
4. The sounding of a continuous bell will signal the end of the alert.

FOOD AND BEVERAGES

All food and beverages shall be confined to the cafeteria and consumed during the lunch period only. Please cooperate with teachers by conforming to the individual teacher's rules. In the event of a special occasion in a classroom, food could be permitted by the teacher.

GRADING SYSTEM

Interpretation of Grades

A = (90-100%)

B = Above Average (80-89%)

C = Average (70-79%)

D = Below Average (60-69%)

F = Failing (0-59%)

Grading Procedures – Twinsburg High School recognizes that a system of grading student achievement should help students, parents and teachers to better assess a student's progress toward personal educational goals. Our system of measuring, grading, and recording, a student's progress enables all persons involved in the student's education to gain a firm understanding of his/her progress. Educational plans and interventions can then be developed from this information.

Grading Periods – Twinsburg uses a nine-week grading format with progress reports available on "Parent Access" on-line with security password. Final nine-week grades are an accumulation of various forms of evaluations such as tests, quizzes, homework, projects, labs, class participation, expressions of thought and observations.

Grade Point Average Calculation –

Please make an appointment to see your assigned counselor if you have questions regarding G.P.A. calculation.

Grading Scale – The Twinsburg City Schools use the following grading scale to determine the letter grades earned:

Grade	Numeric Scale	Grade	Numeric Scale
A+	100 – 97	C	76 – 73
A	96 – 93	C-	72 – 70
A-	92 – 90	D+	69 – 67

B+	89 – 87	D	66 – 63
B	86 – 83	D-	62 – 60
B-	82 – 80	F	Below 60
C+	79 – 77		

A+/- grading system will be utilized for 9wk and exam grades only and will be distributed and explained to all students during the first week of school. Final semester grades will not utilize the +/- system.

Transfer students entering the Twinsburg City School District with weighted grades will have the grades converted to a 4.0 scale to compute the final grade point average. Beginning with the class of 2006 weighted grades from AP Courses will be used in the G.P.A. calculation.

The school year is divided into four grading periods of approximately nine weeks each. Quarter grades will be assigned at the end of each nine-week period. The first two nine-weeks constitutes the Fall semester. The third and fourth nine-weeks constitutes the Spring semester. A final grade will be recorded on the report card at the conclusion of the semester.

Graduation Requirements/Earning Credits – Grade placement in grades 9 – 12 is based on the student earning Carnegie units of credit. The Carnegie units of credit are defined in the State of Ohio Department of Education Minimum Standards 3301-35 02. For additional graduation requirements including OST test requirements, graduation seals, etc. See your School Counselor.

Grade placement at Twinsburg High School is based on the following credit accumulation.

Graduate – A student graduating from Twinsburg High School must have earned a minimum of 22 credits, or 22 credits if completing a career and technical (CVCC) pathway, in the following areas:

	Grad. THS	CVCC - Students

***COMMUNITY SERVICE HOURS**

(Twinsburg High School has the right to verify any information submitted) Per Twinsburg City School District policy, students must complete a minimum of ten (10) community service hours for each year enrolled at Twinsburg High School in order to fulfill graduation requirements. Students should submit at least the minimum number of hours at the end of each year. It is recommended that senior students have their total amount of required community service hours for graduation submitted at the end of Semester 1 of their senior year. Students not fulfilling this requirement will not receive a diploma.

Community service work shall be voluntary with no payment rendered for service and must be completed outside of normal school hours. Service credit will only be accepted from non-profit organizations and/or for individuals that are not capable of performing the work themselves due to being elderly or disabled. No service credit will be granted for work completed for students' immediate family (parents, siblings, aunts/uncles, grandparents, cousins, etc.)

Community Service Verification Forms can be picked up in the High School office or downloaded on the district website, www.twinsburg.k12.oh.us under the High School Guidance Office link. Forms should be completely filled out and signed by the individual or non-profit organization, making sure to include a contact phone number for verification purposes. Students are urged to turn in completed forms into the Guidance Office upon the conclusion of each service activity.

2nd Quarter: 20%

Midterm: 10%

3rd Quarter: 20%

4th Quarter: 20%

Final Exam: 10%

Exams

All students at THS are required to take mid-term and final exams as scheduled.

Grade Reporting

Grades will be available for electronic viewing throughout the year. Parents that do not have access should call the THS office at 330.486.2400. The grading periods and the dates report cards are sent home are located on the school calendar. **Parent-teacher communication is encouraged.**

Incompletes

Students should be aware that failure to complete class requirements may merit a failing grade. "Incompletes" may be assigned in the case of excused absence when the remaining time of the grading period does not equal the time missed by the students.

MAKE-UP WORK DUE TO ABSENCE

An excused absence gives a student the privilege of making up work that has been missed. It is the responsibility of the student to consult with the teachers to make up this work as soon as possible at the convenience of the teacher. A student has the same number of days to make up work as the student was absent from school.

MAKE-UP WORK DUE TO TRAVEL

The Twinsburg City Board of Education does not believe that students should be excused from school for non-emergency trips out of the district. Students who are taken out of school for trips or vacations will not be given permission to do so by the school. The responsibility for this will rest with the parents, and they must not expect any work missed by their child to be taught again by the teacher. However, if the school is notified in advance of such a trip by the parents (legal guardian), a form will be given to the student to take to all teachers in order to procure assignments. Parents are to contact the office, in writing, at least a week prior to leaving. Teachers are not obligated to permit make-up work if proper arrangements have not been made prior to departure. Assignments are due on the day of return to school.

Nine Week Grades

The teacher expectations will be presented to every student in every class by the teacher during the first week of school and will include the information regarding each teacher's grading system. Tests, quizzes, projects, and homework will be averaged toward the nine-week grade. Class participation can also be a part of a grade average.

GUIDANCE DEPARTMENT

Guidance counselors are available to help all students in adjusting to school and assist any students that have school, personal or vocational questions. Students wishing to see a counselor should make an appointment through the main office during study hall, lunch, or before or after school.

Parents are encouraged to contact the counselors for information or assistance whenever necessary by calling 330-486-2406.

HALL PASSES

During class time a student may not be out of the classroom without their agenda being signed by a teacher in the "Hall Pass" section of the agenda.

HOMEBOUND INSTRUCTION

The School may arrange for individual instruction at home for students who are unable to attend school because of an accident, illness, or disability. Such instruction may be arranged upon receipt of documentation of the student's condition from a physician. For more information,

contact the Guidance Office.

HOMEWORK

In accordance with School Board Policy, your teachers are encouraged to extend your education beyond the regular school day by assigning meaningful homework assignments.

INDIVIDUALS WITH DISABILITIES

The American's with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act (Section 504) prohibit discrimination against persons with a disability in any program receiving Federal financial assistance. This protection applies not just to students, but to all individuals who have access to the District's programs and facilities.

The laws define a person with a disability as anyone who:

- A. Has a mental or physical impairment that substantially limits one or more major life activities;
- B. Has a record of such an impairment; or
- C. Is regarded as having such impairment.

The District has specific responsibilities under these two laws, which include identifying, reviewing and, if the child is determined to be eligible, affording access to appropriate educational accommodation.

Additionally, in accordance with State and Federal mandates, the District seeks out, assesses and appropriately services students with disabilities. Staff members use a comprehensive child study process to systematically screen, assess and, if appropriate, place students in special education and related services. Students are entitled to a free appropriate public education in the "least restrictive environment."

A student can access special education and related services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEIA), A.D.A. Section 504 and State law.

POWERSCHOOL ENROLLMENT

The Twinsburg City School District will be using PowerSchool Enrollment to replace Student Emergency Cards for the 2020-21 school year. All students must have necessary information completed in PowerSchool Enrollment prior to the beginning of the school year. Students will need two (2) contacts other than parents and identify the persons that the child may be released to in the event of illness, emergency or for transport. All registration information will be entered online instead of on paper. If you do not have internet access, please contact the main office for

assistance.

INTERNET/NETWORK USER POLICY

To obtain a computer account that will allow access to the network, internet, or electronic mail resources, all students and their parents/guardians must read and sign their school's handbook or agenda containing the Acceptable Use Policy. All students are bound and required to adhere to all Network/Internet bylaws and policies established by Administration and the Board of Education. Approved accounts will be created for students in grades 2-12.

When you obtain a Twinsburg City School District (TCSD) network account, it is understood the account is to be used for class work or individual school related research. You are responsible for your account's use or misuse. The school code of conduct applies.

TCSD may also provide students with Google Apps for Education (GAFE) accounts. Google Apps for Education run on an Internet domain purchased and owned by the school and is intended for educational use. GAFE is also available at home, the library, or anywhere with Internet access. School staff will monitor student use of GAFE when students are at school. Parents are responsible for monitoring their child's use of GAFE when accessing programs from home.

Students are responsible for their own behavior at all times. Students should take all reasonable precautions to prevent others from being able to use their account. Passwords must be constructed so that they are not obvious or easily determinable. Under no conditions should a student provide his or her password to another person.

Your accounts (TCSD and GAFE) and the files on them are school property, not your private property. School personnel reserve the right to inspect its property. Students should have no expectation of privacy

Access to the TCSD network and GAFE is considered a privilege. TCSD maintains the right to immediately withdraw the access when there is reason to believe that violations of law or District policies have occurred. In such cases, the alleged violation will be referred for further investigation and account restoration, suspension, or termination.

The use of personal communication devices (hereafter referred to as "PCDs") on campus is a privilege which the District grants to any student who is willing to assume the responsibility of abiding by the guidelines set forth in Policy 5136 & 5136.01. PCDs include computers, tablets (e.g., iPads and similar devices), electronic readers ("e-readers", e.g., Kindles and similar devices), cell phones, smartphones, iPods, and/or other web-enabled devices of any type. All policies set in place in the AUP continue to apply when the student uses his/her PCD on campus. In addition, cell phone watches are also considered PCD's and fall under the guidelines set forth in Policy 5136 and 5136.01.

Students may connect to the TCSD wireless network from a PCD (and only wirelessly) with their network username and password for educational purposes only. However, they may not do so in a classroom without explicit teacher approval.

The District reserves the right to inspect a student's PCD if there is reason to believe that the student has violated any School Board policies, administrative procedures, school rules or has

engaged in other misconduct while using their personal device. Students must surrender their PCD to district personnel upon request. See policy 5136 – Personal Communication Devices.

Avoid illegal activities. These include tampering with computer hardware or software, unauthorized entry into computer files, or vandalism or destruction of computer files. Obey all copyright laws applying to software and its use. We are governed by the U.S. Copyright Code, PL 94-553 and PL 96-517 Section 117, and U.S. Code 2510.

Profanity or obscenity will not be tolerated on the network. All users should use language appropriate for school situations as indicated by school codes of conduct. Students must respect the right of others in the school and on the internet at large. Personal attacks are an unacceptable use of the network.

Harassment, intimidation, or bullying behavior by any student is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. "Harassment, intimidation, or bullying", in accordance with R.C. 3313.666 means any intentional written, verbal, graphic or physical act including electronically transmitted acts i.e., Internet, cell phone, personal digital assistant (PDA), or wireless hand-held device, either overt or covert, by a student or group of students toward other students, with the intent to harass, intimidate, injure, threaten, ridicule, or humiliate.

If you are the victim of a personal attack ("flame"), respond rationally if a response is appropriate and bring the incident to the attention of a person in authority.

Users must be aware that there are many services available on the internet that could potentially be offensive to certain groups or users. The Twinsburg City Schools cannot eliminate access to all such services. Individual users must take responsibility for their own actions in navigating the network. Policy is subject to change per Board of Education Action during the school year.

LIBRARY - RESOURCE CENTER

1. THS library opens at 7:00 a.m. Any student may come to the library with a pass from the teacher to return or check out books.
2. Students may come to the library with a pass from study lab or as arranged with the classroom teacher.
3. Any student may come to the library during his/her lunch period with a pass from the librarian or a teacher.
4. The library closes at 2:45pm.

LOCKERS

Lockers are Board property and assigned to students for their personal use. **Lockers and locker combinations are not to be shared with friends and classmates. Students must use their own locker. Sharing a locker with another student is a violation and will result in consequences from an administrator.** All lockers must have a school issued lock with all appropriate information given to the homeroom teacher. Any locker difficulties should be reported immediately to the office. **Since lockers are the property of the school, they may be opened by school officials for reasonable suspicion or to get work if a student is absent from school for an extended period of time.**

Book bags and draw string bags, etc. are to be kept in lockers and are not permitted to be carried during the school day. For further reference, see Board Policy 5771.

Students should not leave any item in their gym lockers overnight. Do not leave items in any locker over vacations. Any item left in any locker is at the student's own risk. The school assumes no responsibility for school or personal property lost or stolen from lockers provided. The school is not responsible for the loss or theft of money that students bring to school and/or keep in their lockers.

LOITERING AND DISMISSAL

When arriving at school in the morning, students are to come into the school building immediately. Students are not to loiter on school grounds, in parking lots, in parked cars, nor drive around the school property. The school halls are passageways. Conversations and meetings with other students are to take place in classrooms. Standing in the halls or aimless walking around is considered loitering.

Students remaining after school must be assigned to an activity in the appropriate school location. Loitering in the hallways and commons will not be tolerated. Restrooms in the school are not for congregating. They are clean and well maintained. Privacy is afforded anyone requiring it. Students are to use the restrooms for the purposes they are intended. Individual stalls are to be used by only one person at a time. Students who loiter or hide out in the restrooms will face disciplinary action. Students are to leave the school building by 2:25pm unless in a supervised activity.

LOST AND FOUND

Items that are misplaced/lost may be turned in at the office. Lost articles will be held until the end of the quarter and then sent to a humanitarian organization.

Mask Policy

During times of elevated communicable disease/community spread (pandemic or epidemic), the Superintendent will issue periodic guidance through Board of Education plans/resolutions in alignment with public health officials and in accordance with government edicts. Because school settings can be a source of community spread, wearing face masks/coverings is especially important during these times and can help mitigate the risk of exposure from person to person.

The Twinsburg City School District Face Covering Policy is as follows:

All students in Grades K-12 shall wear a face mask unless they are unable to do so for a health or developmental reason. If a student refuses to wear a mask parents will be contacted and the student will be sent home for the school day. Preschool students are encouraged to wear face masks.

Any student who is unable to wear a mask due to a health reason will need to present medical documentation from a physician. Efforts will be made to reduce any social stigma for a student who, for medical or developmental reasons cannot or should not wear a mask. Students are also required to wear masks, as noted in this policy, while being transported on District school buses or other modes of school transportation.

Cloth face coverings/masks should:

- fully cover the mouth, nose, and chin,
- fit snugly against the side of the face so there are no gaps,
- not create difficulty breathing while worn,
- be held securely through either a tie, elastic, etc. to prevent slipping, and
- be worn as intended.

Cloth face coverings/masks should not:

- include respirators (unless medically necessary), or
- include masks designed to be worn for costume purposes.

Students who disregard the requirement to wear a face covering/mask will face the following consequences:

1st Offense - The student will receive a verbal warning and a new mask to wear. A call to the student’s parents will also be made.

2nd Offense - The student’s parents will be called and the student will need to be picked up from school.

3rd Offense - The student may be reassigned by the Superintendent or designee to an online/virtual learning environment if it is determined that the reassignment is necessary to protect the health and safety of the student or others. However, considerations for students identified disability or social/emotional needs will be given.

All student face coverings/masks should also comply with dress/grooming requirements outlined in the Student Code of Conduct (Rule 12), or disciplinary action may be taken. Finally, any person may be required to temporarily remove a face covering/mask when instructed to do so for identification for security reasons. Failure to comply with such a request violates this policy and may lead to disciplinary or other action. (Board Policy 8450.01)

NONDISCRIMINATION AND EQUAL EDUCATIONAL OPPORTUNITY POLICY

The Twinsburg City School District affirms that no person shall, on the basis of race, color, national origin, age, sex, or disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity conducted under its auspices. This policy shall prevail in all Board policies concerning school employees and students.

Copies of the District's complaint procedures, Administrative Guideline 2260B and 2260.01B, may be obtained from the District Compliance Officer. A formal complaint concerning Title VI of the Civil Rights Act of 1964 (race, color, and national origin), the Age Discrimination Act of 1975, Title IX of the Civil Rights Act of 1964 (sex), Section 504 of the Rehabilitation Act of 1973 and Americans with Disabilities Act of 1990 (disability) can be made in writing to the District Compliance Officer listed below:

- 4. School Board Policy does not permit students from outside schools to attend classes in the Twinsburg City School District.

Positive Behavioral Interventions and Supports (PBIS)

Positive Behavior Interventions and Supports (PBIS) is an approach to supporting students to be successful in schools. PBIS was developed from research in the fields of behavior theory and effective instruction. PBIS supports all students through multi-tiered systems of support (MTSS) ranging from a school-wide system to a system for developing individualized plans for specific students. School-wide PBIS focuses on the development and implementation of pro-active

procedures and practices to prevent problem behavior for all students and improve school climate.
(Board Policy 5630.01)

POST-SECONDARY OPTION

THS students may opt, through the rules and guidelines of Ohio State Bill 140, to attend classes at local universities and receive high school and college credit at the same time. Each university has developed different standards for admission and it is the student's responsibility to call the university for application materials. Please plan early if you intend to pursue this option.

POSTERS AND SIGNS

Any poster displayed by an organization or an individual in the school must have the approval of the administration. Any literature distributed must also have the appropriate approval.

PTA

Twinsburg High School has an active Parent Teacher Association that supports our school through many activities and fundraisers during the year. Meetings are held monthly.

RELIGIOUS OBSERVANCE

As within any public school, students have varied religious beliefs. Ohio Revised Code allows schools to excuse students for a religious observance. Please send a note to school if you wish your child to be excluded from activities, which may include parties, birthdays announced over the PA, the Pledge of Allegiance, etc. or if they will be absent due to a religious holiday. In your note, please indicate if you would like your child to participate in an alternative educational activity or if you prefer to pick him/her up for an excused dismissal from school.

REPORT CARDS

Shortly after the close of each nine week grading period, a report card will be mailed to the student's parent(s)/guardian(s). Included on the report card will be coded teacher comments on student progress and attendance information.

RIGHTS AND RESPONSIBILITIES

The Constitution of the United States guarantees its citizens rights and freedoms. The First Amendment

ensures freedom of religion, speech, press, assembly and petition. The Fourteenth Amendment guarantees due process and equal protection under the law.

The rights of an individual are preserved only by the protection, and preservation of the rights of others. Each exercise of an individual's rights must demonstrate respect for the rights of others.

Every member of the school community, including students, parents, and school staff, has the responsibility to promote regular attendance at school, adult-like conduct and behavior, freedom from fear of insult and injury and maximum opportunity for learning on the part of each student.

Basic student responsibilities include:

1. Be punctual (on time to school and all classes).
2. Attend all classes.
3. Bring the necessary material for class (textbooks, notebook, pen, and pencil, any class-specific items).
4. Be a positive, contributing member of the student body.

Electronic Surveillance: Security cameras and other audio/visual recording devices contribute to

the reduction of school violence and vandalism, and improve school security and student safety. Students are duly informed that their behavior may be monitored on school property and/or adjacent property (such as the Commons area, the main hallways, the parking lot, etc.) by security cameras. Actions recorded on these cameras may be used as evidence in disciplinary action. Any attempt to damage or interfere with the function of these devices will result in disciplinary action by the school and possible referral to local law enforcement agencies.

Surveillance recordings are available only at the discretion of the building administrators. Due to student privacy considerations, these recordings are not made available.

SELLING/BUYING WITHIN THE SCHOOL

Students are not permitted to sell anything within the school to classmates or teachers. Please cooperate by not buying anything from friends and classmates. Students are not permitted to accept deliveries from persons not on their Emergency Contact list. This includes Doordash, Uber Eats, etc.

STATE TESTING

The State of Ohio has mandated that all students will be subject to End of Course/Ohio State Tests in select courses throughout a student’s high school career. Federal IDEA laws apply.

STUDENT ACTIVITIES/ATHLETICS PARTICIPATION

CODE OF CONDUCT – Participation in activities is an important part of the overall educational process. However, a student has no absolute rights to participate in activities, as involvement is a privilege, not a right. Commitment to an activity entails additional time requirements and implies the maintenance of top physical and mental condition. Students participating in any activity outside

of school, or during school hours, are subject to the same discipline code as when school is in session. In addition to normal consequences as specified in the handbook, students may receive additional consequences relating to their specific activity.

This code applies to any school sponsored student activity, group, club, team, etc. that forms, meets, or practices at times other than the regular school day and school year. Instructional activities that meet only during class time or are part of the regular curricular program are not considered in this policy.

The Student Activities and Athletics Code of Conduct goes into effect for student-athletes participating in fall sports on the first day of fall sports practices prior to the start of the school year and continues until the last day of school. For all other sports and activities, the Code of Conduct goes into effect on the first day of school and is in effect until the last day of school. For any spring sport that goes past the last day of school, the code of conduct is in effect until the final contest has been completed. Violations of the Code of Conduct are cumulative throughout the participant's two years of middle school participation and four years of high school participation and disciplinary actions may carry over from one season/year to another.

2430.02 — ELIGIBILITY REQUIREMENTS

(Twinsburg City Schools BOE policy)

In order to be eligible in grades 9-12, a student must be currently enrolled and must have been enrolled in school the immediately preceding marking period. During the preceding marking period, the student must have received passing grades in a minimum of five (5) one (1) credit courses or the equivalent which count toward graduation. A student must also earn a minimum 1.25 grade point average during the preceding marking period. Any student who is not eligible must be enrolled in an intervention program as prescribed by the building principal. Students participating in intervention are not permitted to compete in interscholastic or extra-curricular activities, however, such students may be permitted to practice until eligibility is reinstated at the marking period.

A student enrolled in the first marking period after advancement from the eighth (8th) grade must have passed a minimum of five (5) of the subjects in which the student earned grades and met the minimum GPA requirements outlined in section A.

A student enrolled in the seventh (7th) grade for the first time will be eligible for the first marking period regardless of previous academic achievement. Thereafter, in order to be eligible, a student in grade 7 or 8 must be currently enrolled and must have been enrolled in school the immediately preceding marking period and received passing grades during that marking period in a minimum of five (5) of the subjects in which the student received grade. A student must also meet the GPA requirements outlined in section A.

Summer school grades and other educational options earned may not be used to substitute for failure to meet the academic standards from the last marking period of the regular school year.

EXEMPTION CLAUSE – Exemption to this would be two required performances per year in

concert choir, acapella choir, and concert band. In addition to this, since marching is definitely a component to the band curriculum and is considered in the actual determination of the overall band grade, marching at football games is also exempt. All band and choir competitions, trips, other performances, etc., however, do fall under this eligibility policy. Students must be academically eligible in order to participate in any other activity, as specified above.

GRADING – Students failing to attend those activities specified above as curricular are subject to the same rules as missing an exam or test in any other subject. If it is an excused absence, they shall be permitted to make up the performance through some reasonable assignment given by the teacher. Students receiving an “unexcused” absence would not be permitted to make up this requirement and would, therefore receive a zero, which would be very similar to receiving a zero on any other academic performance, such as a test or quiz.

DRUG/ALCOHOL USE – The Federal Drug Administration recognizes that the use and abuse of mind-altering chemicals/alcohol poses a significant health risk for individuals and can affect health, academics, and performances. Students participating in any activity will not at any time possess, use, sell, offer to sell, deliver, conceal, consume, be under the influence of nor have on their breath, any drug, look-alike drug, counterfeit drug, drug paraphernalia, alcohol, or anabolic steroid. Medication authorized by a licensed physician is not considered in violation of this provision. A student judged to be in violation of the substance use/abuse terms above will incur the following consequences:

1st Offense:

1. **Exclusion from all inter-scholastic or extracurricular-activities for a period of time equal to 30% of the scheduled contests/performances. This exclusion could extend into the next season if the infraction occurs at the end of a given season/activity. Provided a student is not also suspended from school, he/she may attend all practice sessions, contests and performances during the period of the exclusion, but may not participate in contests or performances. If the suspension is served in the next season, the student must be listed on the team/activity’s active roster at the completion of that season and must attend the team/activity’s end of the season awards ceremony, if applicable.**
2. **The student must undergo a professional assessment by a certified agency and comply with the recommendations of such an assessment. Proof of said assessment must be provided to the Athletic Director/Coordinator of K12 Student Activities upon completion. (TCSD will not incur the cost of said assessment)**
3. **Both 1 & 2 must be completed for extracurricular reinstatement.**

2nd Offense:

1. **Exclusion from all inter-scholastic or extracurricular activities for a period of time equal to one calendar year. During this exclusion the student may not attend practice sessions, contests, and performances.**
2. **The student must undergo a professional assessment by a certified agency and comply with the recommendations of such an assessment. Proof of said**

assessment must be provided to Athletic Director/Coordinator of K12 Student Activities upon completion. (TCSD will not incur the cost of said assessment)

3. The student must participate in and successfully complete a drug/alcohol education program. Proof of attending said program must be provided to Athletic Director/Coordinator of K-12 Student Activities upon completion. (TCSD will not incur cost of said program)
4. Both 1 & 2 must be completed for extra-curricular re-instatement.

3rd Offense:

1. Permanent exclusion.

Self-Referral: A student who voluntarily seeks help with a drug/alcohol/substance problem prior to being cited for violation may avoid the imposition of disciplinary action. This provision will be honored if the student voluntarily and fully participates in an assessment and complies with the recommendations of the assessment. Exclusions from participation will occur until the assessment phase is completed.

SPORTSMANSHIP – Good will and sportsmanship are expected from students who conduct themselves appropriately and honorably. Displays of anger, resentment, or loss of control are contrary to the intent and nature of any activities. Only positive cheers are acceptable, cheer for our team and do not berate opponents or officials. All students must stay in the Twinsburg student section at all athletic events and contests. Failure to abide by these regulations may result in suspension of the privilege to attend extracurricular activities and possible additional formal disciplinary consequences. Disciplinary action for violation of this expectation will follow the Ohio High School Athletic Association (OHSAA) un- sportsman like consequences.

TRANSPORTATION: Athletes must use the school provided transportation. The only exception is for parents/guardians to drive with the written approval from the athletic director or principal. Students will not be permitted to drive with anyone other than the parent/guardian.

INDIVIDUAL COACH'S DENIAL OF PARTICIPATION IN ATHLETIC CONTEST(S)/DUE PROCESS PROCEDURE – All head coaches or activity advisors shall publish those specific rules unique to their programs that are not covered by the general rules. This published set of training rules or organization rules must be filed with the athletic director. A copy of all rules in effect must be given to each participant at the beginning of the program or season to take home to be signed by the participant and the parent(s)/guardian(s). These signed papers are to be kept on file by the coach or advisor. Head coaches and advisors must follow due-process procedures when denying participation or excluding participants from their sport or organization.

1. When it becomes necessary to deny a student participation in an activity a student will be given written notice with the reason(s) for exclusion and an opportunity to explain his/her actions in an informal hearing with the activity advisor.
2. The student or parent/guardian has the right to appeal the decision of the Athletic Director/Coordinator of K-12 Student Activities to an appeal board within (3) school days of receiving notification of suspension. Any appeal is to be in writing and submitted to the

building principal. An appeal hearing will be scheduled within (5) school days of receiving the written request. The appeal board shall consist of (3) staff members, assigned by the Superintendent, who will review the case and render a decision to uphold or not uphold the intended removal.

3. The decisions of coaches and advisors, and the recommendations of the appeal board, are subject to the final decision of the school principal.

A student shall not be permitted to participate during this appeal process.

CRIMINAL ACTIVITY

Felonies (Including Felonies Relating to Drugs or Alcohol): A student who is arrested for, or charged with a felony or charged with an act that would constitute a felony if committed by an adult shall be automatically suspended from all athletic/extracurricular activities. Students will not be permitted to participate in preseason activities. The student shall remain suspended until: (1) The charges are completely dismissed; (2) The charges are reduced to a misdemeanor in which case the student may be subject to penalties outlined for misdemeanors for alcohol/drugs; (3) The student is found not guilty; or (4) The student successfully completes the consequences assigned by the judge and agreed to by the student, including probation or diversion. Evidence that the probation period has expired, fines have been paid and/or community service has been completed is required.

If a student has been arrested or charged with an offense, but the matter has been expunged, sealed, removed from a student's record, or the behavior has not been prosecuted, that student should present documentation as required by the school to determine the circumstances of the matter. These circumstances will be considered but may not be sufficient to lift the student's consequences.

Criminal Activity Not Related to Drugs and Alcohol: A student who is arrested for, charged with, or found guilty of a misdemeanor shall receive consequences as outlined below. However, minor offenses that result in fines alone may be dealt with in the discretion of the Principal or designee. However, any student who is accused of a misdemeanor alcohol/drug offense or a misdemeanor DUI will receive consequences as explained in the Drug & Alcohol section of the handbook.

1st and Subsequent Offenses: Minimum suspension from activities for one (1) school week up to a maximum of permanent suspension from extracurricular activities, at the discretion of the Principal or designee.

If the student produces proof that the charges are completely dismissed or the student is found not guilty, these consequences may be lifted. If a student has been arrested or charged with an offense, but the matter has been expunged, sealed, removed from a student's record, or the behavior has not been prosecuted, that student should present documentation as required by the school to determine the circumstances of the matter. STUDENT RESOURCE OFFICER (SRO)

The SRO program enables our school to have a uniformed police officer in the school throughout the school day. This program is funded through the school district for the purpose of bridging the gap between the police department and the student population. The goals of this program are to increase positive attitudes toward law enforcement; reduce juvenile crime through counseling, teaching, and personal contact; and provide a positive role model, liaison, and resource.

STUDY LAB

The study lab period is a quiet area to be used for schoolwork and leisure reading only. Each student is expected to come to study lab prepared to work. Bring assignments and/or other appropriate materials. Card playing, or games of chance will not be permitted. Students should prepare for study lab just as you would for a class; bring books and materials with you. Passes to leave study lab for the computer lab or library should be received from another teacher well in advance of the study lab period. The monitor may assign students work or issue consequences if they do not come prepared with work of their own.

The driver will ensure traffic has stopped and then will signal by dropping their hand to let the students know it is safe to approach the bus.

Each student shall be assigned a residence side designated place of safety. Students are to remain at their designated place of safety and are not to proceed to their residence until the school bus has departed. The purpose of the place of safety is to reduce, as much as possible, the potential of a student being injured by a school bus while they are in the process of being picked up or dropped off.

1. Students shall arrive at the bus stop at least 5 minutes before the bus is scheduled to arrive.
2. Students must wait in a location clear of traffic and 20 steps away from the bus stops.

Consequently, students have a responsibility to conduct themselves in a manner, which contributes to an appropriate school atmosphere. This implies an obligation to be aware of the rights of others and have knowledge of the school. It is the belief of the staff and administration of Twinsburg High School that our students are young adults. We believe that all students have a right to be treated with respect and dignity. Also, students have a responsibility to treat all members of the education community with respect and dignity and to respect the school's constituted authority.

Students are subject to all provisions of the Code of Student Conduct whenever on school property, including buses, at all times, both during, before, and after school hours, when school is in session or during periods of vacation, and at extracurricular activities involving Twinsburg Students. This code shall also be inclusive for the right to exercise authority for the protection of all

school staff members and their property.

Consequences for violation of this Code of Student Conduct may include: detention, work sessions, emergency removal, assignment to T.A.P., out-of-school suspension, expulsion, and/or other forms of disciplinary action to help modify behavior or to ensure the safety, health and welfare of other students and staff. Consequences are administered at the building level in accordance with administrative procedures. Any violations of the Student Code of Conduct which involve a staff member may result in consequences up to and including expulsion. Additionally, depending upon the violation, a police report may be filed.

However, The Twinsburg City School District is committed to building healthy relationships within each school. To that end, restorative practices is a strategy used to build community, repair harm, and restore and promote healthy relationships. To find the root cause of student behavior, rule violations are often best resolved by utilizing restorative practices. These practices include dialogues, peace circles, conferencing, and peer-led mediation. Disciplinary actions start and/or end with restorative practices.

TWINSBURG CITY SCHOOLS DISCIPLINE GUIDE

The Board of Education: (1) expects the teacher-pupil relationship to be one of mutual respect; (2) recognizes the teacher as the person in authority in the classroom and building; (3) authorizes principals to use such reasonable disciplinary measures as seem necessary to insure a properly functioning school; and (4) gives full support to teachers and administrators in their efforts to maintain a good atmosphere for learning within the school.

The authority of school officials extends beyond the school day. Any misconduct on or off school property that directly relates to and adversely affects the welfare and morale of the school is within the scope of authority of school officials. The following list of student offenses and disciplinary actions has been prepared for the information of Twinsburg City School District students and their parents. To a great extent the list is general in nature. Specific disciplinary action will depend on the severity of the offense and the violator's previous behavior. The list does not attempt to include all possible offenses or disciplinary actions, and does not imply that an offense not listed will not receive appropriate disciplinary action. Also, it is often appropriate to employ more than one disciplinary action at a time. Repeated violations will warrant increasing discipline, including possible recommendation for expulsion and referral to the Student Resource Officer.

Twinsburg Schools will employ the use of Restorative Practices in conjunction with discipline actions. The purpose of the Restorative Practices Program is the improvement of citizenship in an individual student resulting in the enhancement of the overall quality of life. It is designed to help students take responsibility for their actions, recognize that their conduct caused harm to others, make amends, and reintegrate into the community. There are four key principles of the Restorative Practices process: respect, responsibility, restoration, and reintegration. Students have the option not to participate in Restorative Practices.

Restorative Practices Continuum

Moving from left to right on the continuum, as restorative practices become more formal, they involve more people, require more planning and time and are more structured and complete. Although a formal restorative process might have dramatic impact, informal practices have a cumulative impact because they are part of everyday life.

SOME POSSIBLE DISCIPLINARY ACTIONS AND RESTORATIVE PRACTICES

1. **Affective Statements** - referred to as “I” statements tell the listener, how the person feels and why it makes them feel that way. They are an effective way to teach students how to express their emotions appropriately.
2. **Affective Questions** - Questions which elicit expressions of attitude, values, or feelings of the student.
3. **Small Impromptu Conference** - The adult acts as a facilitator who allows both parties to be heard and participate in finding a resolution to a conflict, making it less likely to occur again.
4. **Circles** - More structured and used to develop relationships, build communities, and respond to conflicts and problems that arise. Everyone is given an equal opportunity to speak, and be heard.
5. **Conferences** - a structured meeting between offenders, victims and both parties' family and friends, in which they deal with the consequences of the wrongdoing and decide how best to repair the harm.
6. **Verbal reprimand.**
7. **Student-teacher conference.**
8. **Remedial assignments.**
9. **Notification of parents in writing or over the telephone.**
10. **Loss of privilege** - such as recess, assembly, intramurals, field trips, etc.
11. **Items removed, collected and/or destroyed.**
12. **Parent-teacher conference.**
13. **Counseling.**
14. **Behavior Contract.**
15. **Referral to the school guidance counselor, school psychologist, or school nurse.**
16. **Referral to public service or medical agencies.**
17. **Removal from class.**
18. **Notification of police, SRO, juvenile court, or other proper authorities (See BOE Policy 5540).**
19. **Social Privilege Removal** - Students are not permitted to participate in or attend after school events, athletic events, practices, club meetings, dances, etc.
20. **Denial of Participation in Extracurricular Activities**
In accordance with the rules for the activity and/or school rules, coaches or advisors may deny participation in athletic or other extracurricular activities.
21. **Emergency Removal** - If a student's presence poses a continuous danger to persons or property or an ongoing threat of disrupting the academic process, then that student may

be removed from the premises under emergency removal. In such circumstances the student may not participate in any school function or be on school grounds.

22. *Bus Removal - During bus removal students are not permitted to ride any school bus.
23. Twinsburg Alternative Program – Suspension alternative program held at the T.A.P. building.
24. *Out-of-school suspension - (1-10 days) During out-of-school suspension students are not to be on school property at any time during or after school or attend any or all extracurricular and school related activities. Students are expected to keep up with their school work and turn in assignments when they return. Students who fail to hand in written assignments which were sent home for them will lose credit for this work.
25. *Expulsion - (1-80 days) Restrictions are the same as those for suspension except that work cannot be made up. The principal may recommend to the superintendent of schools that a student be expelled.

*In all cases of suspension, bus removal, or expulsion, parents will be notified within 24 hours. Copies of this correspondence goes in the student's record. The student and/or parent has the right to request an appeal hearing before the superintendent, and the right to be represented in such a hearing. An appeal hearing must be requested in writing to the Board within seven (7) calendar days of the first day of suspension.

26. Permanent Exclusion

Special Note: Incidences involving two or more students from the same or different buildings may result in equal punishment for all students involved.

INTERROGATION OF STUDENTS:

The Board of Education is committed to protecting students from harm that may or may not be directly associated with the school environment but also recognizes its responsibility to cooperate with law enforcement and public children's services agencies.

When law enforcement or other authorities arrive at the school and wish to interview a student or investigate an alleged violation of law, they must contact the building administrator indicating the nature of their investigation and their desire to question a student or students. In order to avoid disruption of the learning environment and the student's class schedule, such interviews should take place during a student's study hall period or during recess, if at all possible.

Investigations of Violations of Law by Law Enforcement Agencies:

Such agencies should contact a student during non-school hours and investigate alleged violations of the law off school property if at all possible. An investigation can take place immediately on school property during school hours at the request of the building administrator if the alleged violation of law took place on school property or in emergency situations.

Before the student(s) is (are) questioned as a witness to or suspect in an alleged violation of law, the building administrator shall attempt to contact the parent prior to questioning and shall remain in the room during the questioning unless compelling reasons for exclusion are provided by the agency.
