

## **ART EXPLORATION GRID**

Please join grade level google classrooms for video updates and helpful instructions for specific activities  
March 31st - April 3rd.

Go to Google Classroom. Click the + sign. Add 5th grade code: mfjcemr

**Instructions:** Within the week, pick 4 tasks below in the grid. Each task should take between 10-20 minutes to complete. All drawing activities are done on 8 x 11 inch white paper with pencil and any coloring materials available. All written statements are completed on notebook paper. If the assignment is virtual, please write a small, 5 sentence reflection of what you did. Write your name, date, homeroom teacher, and assignment title on assignment. Save and staple together for submission. All tasks will be submitted for participation credit.

### **Categories:**
