

Black History Month Tic-Tac-Toe

Directions:

1. Choose any three (3) people in a row that you would like to know more about.
2. Click on their name to be directed to a website about that person.
3. Conduct a 3, 2, 1 by writing 3 new things you learned about the person (should include what the person is most well-known for), 2 things you admire about the person, and 1 thing that you would still like to know. This last part should be a meaningful question. For example, "Does Will Smith like Mind Craft?" would not be a meaningful question. An alternative may be, "What advice would Will Smith give me about becoming an actor?" Think about information that will help you understand more about your world.
4. Write your 3, 2, 1 responses on the pages provided and place an "x" over the person's name on your tic-tac-toe board.
