November 1, 2020

Dear Twinsburg Schools Family:

Today, I was notified that a staff member in our Transportation Department, one (1) sixth grade Virtual Academy student, one (1) sixth grade on-campus student, and one (1) eighth grade on-campus student tested positive for COVID-19. The interesting thing to note in these cases is the fact that these four (4) positive cases are from two (2) families.

If your son/daughter or a member of our staff was in close contact with the staff member or students who tested positive for COVID-19, meaning having contact for fifteen (15) or more minutes at a distance of less than six (6) feet, you would have already received another notice with additional information.

As you already know, the story behind our numbers tells us that families are testing positive for COVID. We have seen very few "singleton" cases. Therefore, in the event that a family member is experiencing COVID-like symptoms, it is very important for parents to keep their children home from school until a doctor is able to determine if the symptoms are, in fact, COVID-related.

Please continue to encourage your children to practice the safety protocols of six (6) feet social distance, wearing masks, and frequently sanitizing and/or washing hands with soap and water.

Sincerely,
Kathi Powers
Superintendent
