April 14, 2021

Dear Twinsburg Schools Family:

Today, I reporting the following COVID-positive case to Summit County Public Health officials:

- One (1) On-Campus 4th grade student

Thank you to the parents of our 10th, 11th, and 12th grade students who completed yesterday's survey regarding the COVID-19 Student Clinic we anticipate to host on our campus in partnership with Discount Drug Mart. 362 parents responded. Here are the survey results:

- 148 parents would like their child to receive their COVID-19 vaccine at a clinic held on our campus
- 51 parents declined participation
- 163 parents indicated that their child had already been vaccinated

I am awaiting confirmation from Discount Drug Mart regarding the date and time of our COVID-19 Student Vaccination Clinic for students ages 16 - 18. More news to follow...

In a call with Summit County Public Health officials this afternoon, I was asked to share with our families that Summit County Public Health will be offering the Pfizer vaccine to individuals 16 years of age and older at the Summit County Fairgrounds this Sunday from 9:00 a.m. – 5:30 p.m. If you are interested in this opportunity, you must register online at: <https://gettheshot.coronavirus.ohio.gov>. Once you check your eligibility, you will be asked to search for a location. Once at that site, type in "Akron, OH" in the box and hit "Continue". The next screen will then allow you to check availability at the Summit County Fairgrounds and to schedule an appointment.

Have a good evening,
Kathi Powers
Superintendent
