Dear Twinsburg Schools Family:

Today, I reporting the following COVID-positive case to Summit County Public Health officials:

- Two (2) On-Campus 9th grade students;
- Two (2) On-Campus 11th grade students; and
- One (1) classified staff member who is assigned to the campus of RB Chamberlin Middle School

Returning from Spring Break, I had been hopeful that the worst of the pandemic was behind us as the last reported case was on March 24th. However, five (5) cases in one day is reason to pause. We are all growing weary of the protocols that have been in place this year, but we all need to continue to encourage our students and each other to practice the COVID-19 safety protocols of wearing a mask, keeping socially distanced from others, and frequently sanitizing hands and/or frequently washing them with soap and water.

Thanks for your continued support,
Kathi Powers
Superintendent
