Dear Twinsburg Schools Family:

Today, I was informed that one (1) third grade on-campus student, one (1) eighth grade on-campus student, and one (1) high school staff member tested positive for COVID-19.

If your son/daughter or a member of our staff was in close contact with the students or staff member who tested positive for COVID-19, meaning having contact for fifteen (15) or more minutes at a distance of less than six (6) feet, you would have already received another notice with additional information.

Please continue to encourage your children and each other to practice the safety protocols of six (6) feet social distance, wearing masks, and frequently sanitizing and/or washing hands with soap and water at all times. We can get through this pandemic and keep everyone safe, but it takes all of us doing all that we can to follow the COVID-19 health and safety protocols.

With regard to school tomorrow, I continue to monitor the forecast and we have been in contact with officials from all three of our communities. It is anticipated that the road crews will have the roads cleared in time for school tomorrow. Hopefully our Tigers will be able to resume classes in the morning.

Have a good night,
Kathi Powers
Superintendent
