December 13, 2020

Dear Twinsburg Schools Family:

This weekend, I was informed that the following student and staff member tested positive for COVID-19:

- One (1) On-Campus eighth grade student; and
- One (1) classified staff member who is a member of our Transportation Department.

If your son/daughter or a member of our staff was in close contact with the student or staff member who tested positive for COVID-19, meaning having contact for fifteen (15) or more minutes at a distance of less than six (6) feet, you would have already received another notice with additional information.

In the coming week, students in grades 7 – 12 will pivot to remote learning from home or continue with classes through our Twinsburg Virtual Academy with the exception of a small group of students who will be on campus for instruction. Last week, Mr. Ries and Dr. Hebert sent specific information about the coming school week to families via a Blackboard Connect email. Please reference that email for details.

Students in Preschool through the sixth grade will continue On-Campus or Virtual Academy classes through Friday, December 18th.

The week before Winter Break is always exciting and filled with many holiday activities. Please continue to encourage your children and each other to practice the safety protocols of six (6) feet social distance, wearing masks, and frequently sanitizing and/or washing hands with soap and water at all times so that everyone can enjoy a wonderful Winter Break.

Have a good week,
Kathi Powers
Superintendent
