Dear Twinsburg Schools Family:

Even though the Twinsburg City School District is currently on Winter Break, per the directive of the Ohio Department of Health and Summit County health officials, we are to continue to provide notification to our families regarding positive COVID-19 cases if any students are on campus. In our case, our winter sports teams are practicing thus this notification is required. During the period of Winter Break, I will send the general notice to all families once or twice a week, if positive cases are identified. We will also continue to post information via the COVID-19 link on our website.

Today, I reported the following positive cases to Summit County health officials:

- One (1) On-Campus 9th grade student;
- One (1) certificated high school staff member who is assigned to the campus of RB Chamberlin; and
- One (1) certificated staff member who is assigned to the campuses of Twinsburg High School and George G. Dodge Intermediate School.

As you see, COVID-19 is not taking a break, even though Winter Break is here! Please continue to remind your children and each other to practice the COVID-19 safety protocols of wearing a mask, keeping socially distanced from others, and frequently sanitizing hands and/or frequently washing them with soap and water.

Sincerely,
Kathi Powers
Superintendent
