December 29, 2021

Dear Twinsburg Schools Family:

Today, I reported the following fifteen (15) COVID-positive cases to Summit County Public Health officials:

- One (1) On-Campus Preschool student;
- One (1) On-Campus Kindergarten student;
- Two (2) On-Campus second grade students;
- Two (2) On-Campus fourth grade students;
- One (1) On-Campus sixth grade student (Dodge Campus);
- Three (3) On-Campus ninth grade students;
- Two (2) On-Campus eleventh grade students;
- One (1) On-Campus twelfth grade student;
- One (1) classified staff member assigned to Wilcox Primary School; and
- One (1) certificated staff member assigned to Districtwide responsibilities

Finally, as you probably know, the Centers for Disease Control (CDC) released new information earlier this week regarding the number of days individuals should isolate after testing positive for COVID-19. Per a conversation this afternoon with Summit County Health Commissioner Donna Skoda, the Ohio Department of Health has yet to release guidance on this matter. Thus, we will await confirmation from both the Ohio Department of Health as well as from health officials from Summit County Public Health before making any changes to our current COVID-19 protocols.

Sincerely,

Kathi Powers, Superintendent
