Dear Twinsburg Schools Family:

Today I reported the following COVID-positive cases to Summit County Public Health officials:

- One (1) On-Campus fifth grade student;
- One (1) On-Campus seventh grade student; and
- One (1) certificated staff member who is assigned to Samuel Bissell Elementary School and Wilcox Primary School

Finally, just a follow-up to the situation I reported to you that occurred yesterday at RB Chamberlin Middle School. Mr. Ries and the administrative team are finalizing their investigation. Based upon the information they have learned, as well as information shared by the Twinsburg Police Department, it does not appear that the alleged threat was credible. Students who have been identified as responsible for posting inaccurate information on social media and/or spreading rumors that have proven to be untrue will be held responsible and will be issued school consequences. Regardless, we sincerely appreciate everyone's concern as nothing is more important than the safety of our students and staff members.

Sincerely,

Kathi Powers, Superintendent
