February 15, 2021

Dear Twinsburg Schools Family:

Today, I reported the following positive cases to Summit County health officials:

- One (1) On-Campus 4th grade student; and
- One (1) On-Campus 7th grade student.

Thanks for continuing to remind your children and each other of the importance of practicing the COVID-19 safety protocols of wearing a mask, keeping socially distanced from others, and frequently sanitizing hands and/or frequently washing them with soap and water.

A couple more bits of information for you this evening...

Attached is a document with information from Summit County Public Health regarding registration appointments for individuals in the Level 1B group. You or a family member may find this information helpful.

Also, attached is a flyer from TYSL regarding registration for their upcoming season. It is great to think about softball on this cold and snowy evening!

Finally, as you probably already guessed, I am keeping an eye on the weather. If conditions persist, I will be back in touch. **IF** there is a Snow Day called for tomorrow, school will be closed, both on-campus and virtually. As previously mentioned, language in the contract with the Twinsburg Education Association (TEA) requires that the first five (5) Calamity Days will be non-work days for our staff. Stay tuned...

Have a good evening,
Kathi Powers
Superintendent
