Dear Twinsburg Schools Family:

Today, I reported the following positive cases to Summit County health officials:

- One (1) On-Campus 3rd grade student; and
- One (1) Transportation Staff member.

Thanks for continuing to encourage your children and each other to practice the COVID-19 safety protocols of wearing a mask, keeping socially distanced from others, and frequently sanitizing hands and/or frequently washing them with soap and water.

It has been a great day here in our school district as more than 460 members of our staff received their first Pfizer COVID-19 vaccination. We are very grateful to Discount Drug Mart, the Summit County Public Health Department, the Educational Service Center of Northeast Ohio, and Governor Mike DeWine for this opportunity as we believe this is the first step in returning to normalcy!

Also, a reminder that Monday, February 15th is Presidents' Day and the Twinsburg City School District is closed for this national holiday.

Wishing you a very Happy Valentine's Day, too!
Kathi Powers
Superintendent
