Dear Twinsburg Schools Family:

Today, I reported the following positive cases to Summit County health officials:

- One (1) On-Campus 6th grade student;
- One (1) On-Campus 7th grade student;
- One (1) On-Campus 8th grade student;
- One (1) Virtual Academy 12th grade student;
- One (1) classified staff member assigned to our Transportation Department;
- One (1) certificated staff member who works with Bissell and Dodge students at the campus of Twinsburg High School;
- One (1) certificated staff member who works with middle school and high school students at the campus of George G. Dodge Intermediate School; and
- One (1) certificated staff member who works with high school students at the campus of RB Chamberlin Middle School.

In all, I reported eight (8) positive cases today. This is quite concerning. I know that I repeatedly request everyone's assistance in practicing the COVID-19 safety protocols of wearing a mask, keeping socially distanced from others, and frequently sanitizing hands and/or frequently washing them with soap and water however it is extremely important for everyone to do their part in maintaining a safe and healthy learning environment. Thanks for your continued support and diligence in following these protocols and encouraging others to do likewise.

Sincerely,
Kathi Powers
Superintendent
