Dear Twinsburg Schools Family:

Today, I reported the following positive case to Summit County health officials:

- One (1) certificated member of the high school staff who is assigned to George G. Dodge Intermediate School

Thanks for continuing to encourage your children and each other to practice the COVID-19 safety protocols of wearing a mask, keeping socially distanced from others, and frequently sanitizing hands and/or frequently washing them with soap and water.

Also, I would like to draw your attention to the attached flyer from our friends at the Twinsburg Historical Society. As the month of February draws to a close, the Twinsburg Historical Society is planning a wonderful community event, a "Black History Program". This program has become an annual event and this year, due to the pandemic, the program will be presented via Zoom. The program is scheduled for Saturday, February 27th from 3:00 p.m. – 4:30 p.m. You can find out more details about this important community event on the attached flyer. I hope you will be able to join us as we honor, recognize, and celebrate our neighbors and friends and their contributions to our community.

Sincerely,
Kathi Powers
Superintendent
