January 25, 2021

Dear Twinsburg Schools Family:

Today, I reported the following positive cases to Summit County health officials:

- Four (4) On-Campus 6th grade students;
- One (1) On-Campus 7th grade student;
- One (1) Virtual Academy 8th grade student; and
- One (1) Virtual Academy 9th grade student.

The four (4) On-Campus 6th grade students are in the same classroom as another 6th grade student who tested positive last week, thus, per the recommendation of officials from the Summit County Public Health Department, this particular class of students, along with their teacher, is now quarantined for fourteen (14) days. It is very unusual for this number of children in one classroom to test positive within a few days of each other, especially since we ensure six (6) foot social distancing, the wearing of masks, hand washing and sanitization, and extensive cleaning protocols.

A situation like this one today reminds us all of the importance of practicing the COVID-19 safety protocols of wearing a mask, keeping socially distanced from others, and frequently sanitizing hands and/or frequently washing them with soap and water.

Thanks for your continued assistance,
Kathi Powers
Superintendent
