January 28, 2022

Dear Twinsburg Schools Family:

Today, I reported the following two (2) COVID-positive cases to Summit County Public Health officials:

Grade Level	Classroom(s) In Which the COVID-Positive Case Was Confirmed	School Bus Number On Which the COVID-Positive Case Was Confirmed
Grade 5	Mrs. Busch's class Ms. Hahn's class	Dodge PM Bus 2

- One (1) certificated contracted services staff member assigned to Twinsburg High School

As anticipated, Health Commissioner Donna Skoda met with Summit County Superintendents this afternoon and updated our group regarding the latest interpretation of this week's release from the Ohio Department of Health. Effective Monday, January 31st, Districts are no longer required to contact trace unless there is an outbreak or we are asked to do so by health officials. Further, Districts are only required to report COVID-positive cases to Summit County Public Health officials once a week, on Fridays. The requirement to report COVID-positive cases to our school family as well as to post that information on our website remains however, we expect the Health Order which requires these notifications to be amended or rescinded soon. During next Wednesday's Board of Education Meeting, the BOE members and I will discuss this new direction. I will follow-up with correspondence to you thereafter.

Sincerely,

Kathi Powers, Superintendent
