January 4, 2021

Dear Twinsburg Schools Family:

As has been the case over Winter Break, I am sending today's general notification regarding COVID-19 positive cases that were reported to me since my last correspondence of December 30<sup>th</sup>.

Since December 30<sup>th</sup>, I reported the following positive case to Summit County health officials:

- One (1) On-Campus 1<sup>st</sup> grade student;
- One (1) classified member of the staff who is assigned to Wilcox Primary School;
- One (1) certificated member of the middle school staff who is assigned to George G. Dodge Intermediate School;
- One (1) certificated member of the high school staff who is assigned to RB Chamberlin; and
- One (1) classified member of the staff who is assigned to the campus of Twinsburg High School

As the majority of our students will be learning remotely from home from tomorrow, Tuesday, January 5<sup>th</sup> through Friday, January 15<sup>th</sup>, I will continue to send these general notifications to you when positive cases are confirmed. I will send specific classroom and/or team notifications in instances for which positive cases are identified in the classrooms of our students who will be on campus during this remote period or to the parents of any winter sports team which may experience a positive case.

Please continue to remind your children and each other to practice the COVID-19 safety protocols of wearing a mask, keeping socially distanced from others, and frequently sanitizing hands and/or frequently washing them with soap and water.

Sincerely,  
Kathi Powers  
Superintendent
