Wellness*

January 8, 2021

Dear Twinsburg Schools Family:

Today, I reported the following positive case to Summit County health officials:

- One (1) certificated member of the Wilcox Primary School Staff, assigned to Wilcox Primary School.

Again, as the majority of our students are learning remotely through January 15<sup>th</sup>, classroom specific notifications will not be sent unless a positive case is confirmed in the classroom of the students who are on campus during this remote learning period. We are hopeful that this period of remote learning will provide the appropriate incubation for COVID-19 following any group activities that may have occurred over Winter Break so that our students and staff can return to the healthiest learning environment on January 19<sup>th</sup>.

Please continue to remind your children and each other to practice the COVID-19 safety protocols of wearing a mask, keeping socially distanced from others, and frequently sanitizing hands and/or frequently washing them with soap and water.

Also, beginning this evening, our Tigers return to competitive play! Due to social distancing requirements, tickets are limited to the families of our athletes. However, you can catch our Tigers at home events via our District's livestream channels. A copy of the Winter Sports Livestreaming Schedule is attached to this Blackboard Connect message.

Have a great weekend – Go Tigers!  
Kathi Powers  
Superintendent
