Dear Twinsburg Schools Family:

Today, I reported the following COVID-positive case to Summit County Public Health officials:

- One (1) certificated staff member

You may wonder why I am sending this notice to you over summer break. Per the Summit County Public Health Department, as long as the Coronavirus (COVID-19) is classified as a Class A Infectious Disease, school districts are required to notify families of positive cases. This aligns with our District's philosophy of transparency in all matters regarding the ongoing pandemic.

Sincerely,  
Kathi Powers  
Superintendent
