March 1, 2021

Dear Twinsburg Schools Family:

It was an unusually busy day of COVID-positive cases with the following reported to Summit County health officials:

- One (1) On-Campus 2nd grade student;
- One (1) On-Campus 7th grade student;
- Two (2) On-Campus 9th grade students; and
- One (1) On-Campus 12th grade student

Generally speaking, our students are presenting cold-like symptoms including a cough, stuffy nose, and/or a headache prior to testing positive for COVID-19. If your child is experiencing these or any other COVID-19 symptoms, I respectfully request that he/she remain at home and that you seek the advice of your primary care physician.

Thanks for continuing to encourage your children and each other to practice the COVID-19 safety protocols of wearing a mask, keeping socially distanced from others, and frequently sanitizing hands and/or frequently washing them with soap and water.

Sincerely,
Kathi Powers
Superintendent
