Dear Twinsburg Schools Family:

Today I was informed that seven (7) students tested positive for COVID-19:

- One (1) Virtual Academy fifth grade student;
- One (1) Virtual Academy seventh grade student;
- One (1) On-Campus ninth grade student;
- One (1) On-Campus eleventh grade student;
- Two (2) Virtual Academy eleventh grade students; and
- One (1) On-Campus twelfth grade student

Two (2) of these students are siblings and one (1) of the students is a sibling of a previously identified student who tested positive.

If your son/daughter or a member of our staff was in close contact with the students who tested positive for COVID-19, meaning having contact for fifteen (15) or more minutes at a distance of less than six (6) feet, you would have already received another notice with additional information.

I know you must be growing weary of these notices and I apologize for what might appear to be redundant communication, however, I truly want to be as transparent as possible in all matters regarding this ongoing pandemic. Please continue to encourage your children and each other to practice the safety protocols of six (6) feet social distance, wearing masks, and frequently sanitizing and/or washing hands with soap and water at all times.

Have a good evening,
Kathi Powers
Superintendent
