November 4, 2020

Dear Twinsburg Schools Family:

I apologize for the late notice this evening. Our Board of Education Meeting just concluded and this is the first opportunity I had today to write this letter. Earlier today, I was notified that one (1) staff member who supports our Twinsburg Virtual Academy students at Wilcox Primary School, one (1) ninth grade Virtual Academy student, and one (1) eleventh grade on-campus student tested positive for COVID-19.

If your son/daughter or a member of our staff was in close contact with the staff member or students who tested positive for COVID-19, meaning having contact for fifteen (15) or more minutes at a distance of less than six (6) feet, you would have already received another notice with additional information.

As a school district, we are doing all we can to minimize the spread of COVID-19 while our students and staff members are on our campuses. I respectfully request that you limit opportunities for your children to socially congregate in groups as the spread of this virus continues to occur at a greater frequency outside of school. Also, please continue to encourage your children to practice the safety protocols of six (6) feet social distance, wearing masks, and frequently sanitizing and/or washing hands with soap and water.

Sincerely,
Kathi Powers
Superintendent
