Dear Twinsburg Schools Family:

This weekend, I was informed that we had three students test positive for COVID-19: One (1) grade 12 on-campus student and two (2) grade 11 on-campus students. One (1) of these students is related to our Lady Tiger Varsity Soccer Team.

If your son/daughter or a member of our staff was in close contact with the students who tested positive for COVID-19, meaning having contact for fifteen (15) or more minutes at a distance of less than six (6) feet, you would have already received another notice with additional information.

With the exception of the eight (8) cases related to our Lady Tiger Varsity Soccer Team, it appears that the majority of COVID-19 spread is occurring outside of our school buildings. Hence I ask everyone, once again, to do what we all can do to stop the spread of this virus. Please continue to encourage your children and each other to practice the safety protocols of six (6) feet social distance, wearing masks, and frequently sanitizing and/or washing hands with soap and water at all times.

I am hopeful for a healthy week ahead,  
Kathi Powers  
Superintendent
