Dear Twinsburg Schools Family:

This afternoon, I was notified that a staff member who works at the campus of RB Chamberlin Middle School tested positive for COVID-19.

If your son/daughter or a member of our staff was in close contact with the staff member who tested positive for COVID-19, meaning having contact for fifteen (15) or more minutes at a distance of less than six (6) feet, you would have already received another notice with additional information.

As I mentioned in earlier correspondence, our District has avoided significant quarantine situations as we practice the safety protocols of six (6) feet social distance, wearing masks, and frequently sanitizing and/or washing hands with soap and water while our students and staff are on our campuses. Thank you for continuing to enforce these important protocols with your family.

Enjoy the rest of the weekend.

Sincerely,
Kathi Powers
Superintendent
