September 8, 2020

Dear Tiger Family,

I hope your child's first official day of the new school year went well! It was great to see our students as they arrived for school today. Our District is finally "alive" and it is simply wonderful! It was equally wonderful to hear about the many exciting activities our virtual students engaged in with their teachers today. I hope your child was as excited about today as we were!

Today's letter includes three important updates:

- On Thursday, September 3, 2020, the Ohio Department of Health released an Order about reporting and notification regarding COVID-19 cases in Kindergarten through the twelfth grade. A copy of the Order is attached to this Blackboard Connect email. Per the Order, I request that you call your child's school Attendance Line to report positive tests and/or cases of COVID-19:
  - Preschool, Kindergarten, & Grade 1: 330.486.2034
  - Grades 2 & 3: 330.486.2105
  - Grades 4, 5, & 6: 330.486.2268
  - Grades 7, 8, & 9: 330.486.2370
  - Grades 10, 11, & 12: 330.486.2407

Although the Order only addresses incidents for students in Kindergarten through the twelfth grade, I respectfully request parents of our Preschool students to also report this information so that I can continue to be transparent in reporting incidents to our families while also protecting confidential health information.

- Also attached to this Blackboard Connect email is important information from our Food Services Supervisor Mark Bindus. As you know, our students are enjoying breakfast and lunch in our classrooms this year. With that change comes procedural changes that are described in the attachment. If you have questions regarding our revised Food Services processes, please contact Mr. Bindus at: [mbindus@twinsburgcsd.org](mailto:mbindus@twinsburgcsd.org)
- As previously mentioned, our District staff has worked to successfully create three (3) YouTube Channels for livestreaming TCSD student events. This will allow activities for the THS Auditorium, THS Gym and Tiger Stadium to be livestreamed, potentially all at the same time. I am excited to announce that our first planned livestream will be tomorrow,

Wednesday, September 9<sup>th</sup> as our Lady Tiger Soccer Team hosts North Royalton at 7:00 p.m.

The links for the stations are below:

It is our intention to livestream all of the remaining home games for Varsity Volleyball, Football, Girls Soccer and Boys Soccer pursuant to the schedules below. If permissible, we plan to livestream the playoff games, as well. It is our intention to use Channel 1 for events at Tiger Stadium, Channel 2 for events at Twinsburg High School Gym and Channel 3 for events at the Twinsburg High School Auditorium.
