Dear Twinsburg Schools Family:

Although the Ohio Department of Health and the Summit County Public Health Department have lessened restrictions as related to COVID-19, our students and staff members continue to test positive for this virus. I am not sending this information to alarm you, however, I want to let you know that our District has had over ninety (90) positive cases since the school year began. This weekend, I reported COVID-clusters, as required by the ODH and SCPH. A COVID-cluster is determined when three or more individuals from the same classroom, sports team or other group test positive. The following is a list of the classrooms reported this weekend as COVID-clusters:

School	Teacher	Subject	Block or Period
THS	Ms. Kmet	Honors Micro	Blue Day, Block 3
THS	Ms. Thomas	Honors Algebra 2	Blue Day, Block 3
THS	Ms. Thomas	Geometry	White Day, Block 3

RBC	Mrs. Craig	Academic Practice	Period 6
RBC	Ms. Patterson	Science 7	Period 8

If your child experiences any of the following COVID-19 symptoms, they should remain home from school and take a COVID-test:

- Fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and/or diarrhea.
- COVID-19 test kits are available for our school families by request to: testingkitrequests@twinsburgcsd.org
- Please be sure to notify your child's school of all absences by contacting the school's attendance line.

Sincerely,
Kathi Powers
Superintendent
