October 15, 2020

Dear Twinsburg Schools Family:

Earlier today, I informed you that one (1) seventh grade student was confirmed as positive for COVID-19. This evening, I was notified that two (2) additional students have tested positive for COVID-19, a tenth grade student and a twelfth grade student, bringing today's total for positive COVID-19 cases to three (3).

If your son/daughter is a classmate of the students who tested positive for COVID-19, you have received another notice with additional information.

I respectfully request that you review our healthy COVID-19 safety protocols with your children, namely, the importance of maintaining six (6) feet social distance, the importance of wearing a mask when in public, and the importance of frequent hand sanitization and/or frequent washing of hands with soap and water. It is crucial that our students follow these important safety protocols not only when they are in class and at school, but at all times.

Thank you for your ongoing support and understanding.

Sincerely,  
Kathi Powers  
Superintendent
