Dear Twinsburg Schools Family:

Today, health officials from the Summit County Public Health Department informed me that one (1) fifth grade student who is enrolled in our Twinsburg Virtual Academy tested positive for COVID-19.

No other staff members or students beside this student's family members will be quarantined given the student's enrollment as a virtual student.

If your son/daughter is a classmate of the student who tested positive for COVID-19, you already received another notice with additional information.

Thank you for your continued support and understanding.

Sincerely,
Kathi Powers
Superintendent
