Dear Twinsburg Schools Family:

Over the past several months, we have been asked many questions regarding the District's response should a student and/or staff member test positive for COVID-19. Due to the complicated nature of the coronavirus, I thought it best to develop a guidance document for you that can be referred to throughout the coming months. This document was developed with assistance from the Summit County Public Health Department.

I hope you find our *Smart Restart Communications Guidance for COVID-19* helpful to your family.

Sincerely,
Kathi Powers
Superintendent
