Wellness*

October 9, 2020

Good evening Tiger families:

As part of the CARES funds, the Ohio Department of Education in cooperation with Ohio's Information Technology Centers such as NEOnet, have developed a service desk to help support students and families with remote learning. District stakeholders have access to free technical resources to assist with answering remote learning connectivity questions. Students, parents, teachers, or District administrators can submit a service desk ticket, send a text, email, or reach the Connectivity Champions by phone. Ohio's Connectivity Champions are available for live support starting today. A summary of the program is included as an attachment with this email.

Secondly, a reminder that our 6th annual "Fill the Bus" food drive is underway! Once again this year, the Twinsburg City School District will partner with our friends at Nordonia Schools to "Fill the Bus"! "Fill the Bus" is the annual non-perishable food drive in support of The Emergency Assistance Center, partners with our PAWS on Child Hunger Program. This year's "Fill the Bus" campaign will run through Friday, October 30th. Students who attend the Twinsburg Virtual Academy may drop off non-perishable food items to any of our Welcome Centers or to the Twinsburg Board of Education Office located at 11136 Ravenna Road in Twinsburg. All other students may drop off their donations in the bins at each of our schools. We understand that the shelves are quite empty at the food pantry, so please consider donating to this cause so that our friends at The Emergency Assistance Center can continue to support our community members in their time of need. Thanks, in advance!

Enjoy this beautiful autumn weekend!
Kathi Powers, Superintendent
