October 23, 2020

Dear Twinsburg Schools Family:

I hope you had a good week. We have had a good week here in the TCSD with only one (1) positive COVID case from earlier this week, which I already communicated to you in a previous Blackboard Connect message.

This evening, I am pleased to forward to you two documents for your review. The first is our *2019/2020 Quality Profile*. This is the seventh edition of our *Quality Profile* and it is filled with great news about the success of our students and staff members. Typically, our *Quality Profile* is released to our school community at the same time as the ODE's release of the Local Report Card. This year, its publication was delayed due to the pandemic. You will receive a hard copy of our *Quality Profile* as an insert in next week's Twinsburg Bulletin. We distribute the *Quality Profile* through our local newspaper as it is much less expensive to do so than to mail it to homes. I hope you enjoy this year's *Quality Profile*!

Secondly, over time, I received a number of inquiries about our cleaning protocols as related to COVID-19. Thus, we developed a *2020-21 COVID-19 Cleaning Protocols* document which provides many details about the ways in which we keep our school environment healthy and clean for our students and our staff members. The *2020/21 COVID-19 Cleaning Protocols* document is a companion document to our *District Reopening Plan* and our *Smart Restart* document. I hope this latest publication provides the details you seek regarding our cleaning protocols.

Just a reminder that Friday, October 30th is the end of the first grading period.

Best wishes for a wonderful autumn weekend!

Go Tigers!
Kathi Powers
Superintendent
