

1. Student must have COPPA consent form on file where the parent or guardian has given consent
2. Teachers can Sign up with Google credentials (if you wish to import Google Classrooms) or with their school email address (create class(es) manually).
3. If teachers sign up with Google, Google Classrooms will be imported to create classes.
4. If teachers sign up with school email, classes will have to be created and student accounts added by the teacher. Please use their first initial, last initial and Twinsburg ID for their username (TS999999) and a password that doesn't include personally identifiable information.
5. Students sign up with Google if teacher imported Google Classrooms
6. Students sign up with the username and password the teacher supplies if the teacher signed up with their school email instead of Google.
