

CK12 Requirements

1. Students must have a signed COPPA form giving consent, on file. The COPPA form is a form that is a part of their returning or new student registration through Infosnap.
2. Teachers Sign Up using Google
3. Teachers Make assignments to their Google Classroom
4. Students will click on the assignment in Google Classroom to access the assignment. If a student does not have a CK12 account one will be created for them when they click on the assignment in Google Classroom and agree to the Google Allow for Classroom.
5. Click the links below on how to use Google Classroom. Teachers are not to create CK12 classes.
