Your sports medicine team
at Twinsburg High School

All athletes deserve the very best sports-related care and treatment, and our sports medicine team is ready to help.

Our medical sports medicine physicians, orthopaedic sports medicine physicians, nurse practitioners, physician assistants, physical therapists, athletic trainers, registered dietitians, radiologists, psychologists and exercise physiologists will put together a game plan to fit your athlete's needs and goals.

We treat a variety of conditions from acute to most complex, including:

- Overuse injuries and tendonitis
- Sprains, ligament tears, hip injuries
- Concussion management
- Fractures
- Exercise-induced illnesses such as asthma

Treatments and services include:

- Arthroscopic surgery
- ACL Reconstruction
- Sport-specific rehabilitation and performance training
