We are seeing music interest and growth in huge numbers and we are so excited! As our student body grows, the TBB must also. In order to continue to be successful in our enrichment endeavors, we must rely on our families, friends, and supporters. We offer many fun ways to get involved and be a part of something your children truly love. We are actively seeking volunteers for committees throughout the year. We are a dedicated and lively crew of volunteers who strongly encourage and welcome new team members. You can choose to be involved in what works best for you. There is no cost to being a member. Members are encouraged to attend the monthly general meeting, offer input: suggestions, questions, comments, concerns, and to vote when a vote is deemed necessary. Per our Bylaws, you must be a registered member to vote. We strongly encourage you to be a volunteer and a member. Please simply check the yes box and we will add you to our registered Membership List
