

Delta Math Requirements:

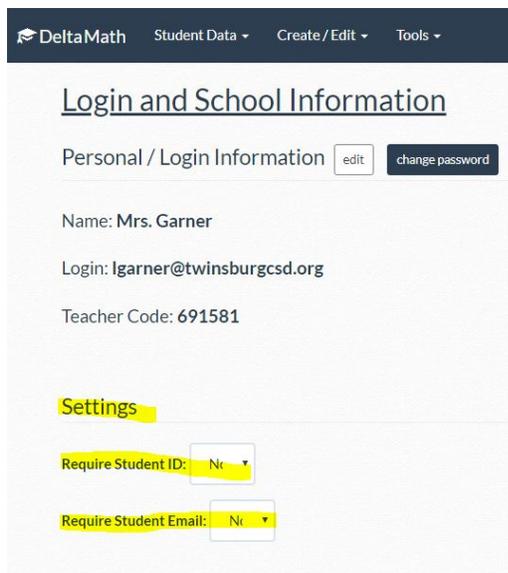

Please follow the requirements below when using Delta Math:

Teachers:

1. After creating your Delta Math teacher account, click on Tools from the top navigation menu
2. Click Login/School Information

3. Under teacher settings choose no to not require a student id and email when the student creates an account. Students are able to use a username to login instead of an email address.

4. Student passwords can be reset by the teacher if needed

Manage Students and Classes

Classes:

Class	# of Students	Edit	Remove
Test Class 1	(1 student)	change name	
Test Class 2	(0 students)	change name	remove

Add New Class  View / Close Terms 

Students:

#	First	Last	Class	Login	edit
1	Test	Student	Test Class 1	testdodgestudent@twinsburgcsd.org	cancel   

Students:

1. Must enter teacher code to create an account
2. When creating a student account have the student use the following information:
 - a. First name & Last name can be their full names
