The following tool has been approved and can be used contingent on the following requirements:

Tool: Edublogs

Requirements:

No district permission slip required if the following requirements are met:

1. Use netwok id (ie js1012333) as username
2. Use student first name, last initial if entering a first and last name

3. Email:
    A. If students join using invite link created by the teacher under My Class, Invite Students and do not enter the optional email, no permission slip is required (with this option, students can not request their passwords if needed)

    B. If the teacher adds users, an email is required and the attached permission slip must be sent home to obtain the email address the student is allowed to use in creating the account.
