# Student Wellness and Success Funds

Twinsburg City School District  
Board of Education Meeting

October 18, 2023

# Student Wellness and Success Funds

- House Bill 33 the “Budget Bill” creates several new sections of Ohio Revised Code addressing student wellness and success. (R.C. 3317.26 and RC 3317.011))
- Within these regulations the District must do the following:
  - Utilize at least 50% of student health and success funds on mental health services, or physical health care services, both of which can include telehealth services.
  - Districts must develop a plan to utilize student wellness and success funds in coordination with community based mental health prevention or treatment providers or local boards of alcohol, drug addiction and mental health services and a community partner.
- The plan developed must be shared at a Board Meeting annually.
- Any funds remaining from previous fiscal years must be spent by June 30, 2025.
- All funds allocated during fiscal year 24 must be spent by the end of the following year.

# Student Wellness and Success Funds

- Through Board Action on June 28th, 2023, The Twinsburg City School District entered into an agreement with Beech Brook to provide Social Work services to students and their families to address social-emotional and mental health needs. This agreement included four (4) social workers with an addendum adding an additional three (3) social workers. This provides a total of seven (7) social workers to serve the students and families of Twinsburg.

# Stronger Connections Grant – FY24 ONLY

	Allocation
2023-2024	\$ 25,929

The Stronger Connections Grant was authorized under the Bipartisan Safer Communities Act. Ohio received \$35 million to award to Local Education Agencies (LEAs) to provide students with safe and healthier learning environments that prepare them for success.

The TCSD was allocated \$25,929 from the Stronger Connections Grant and it will provide funding that can support the district's prioritization of its students well being. The school district partners with Beechbrook to provide social workers that are on-site and in all five school building across the district. The additional funding from the Stronger Connections Grant would assist with the funding for one social worker's salary for the 2023-2024 school year.
