Math:

Watch the Recycling video: https://youtu.be/6jQ7y_qQYUA

After watching the video, choose something to sort in your house. You can sort recyclable material, socks, snack, books or any other objects to make it fun! Take a picture of the objects sorted and write in your journal how you sorted the objects.

Optional Fun Family Activity: Weed your flower beds. Dig in the dirt. What do you see? Plant a flower at home.

Learning Standards:

Reading: With prompting & support identify the main topic and retell key details of a text

Writing Strand

Use a combination of drawing, dictating, and writing to compose opinion pieces that tell a reader the topic or the name of the book being written about and express an opinion or preference about the topic or book (e.g., My favorite book is ...).

Math

K.CC.3 write numerals 0-20.

K.MD.3 Classify objects into given categories; count the number of objects in each category and sort the categories by count.

K.OA.2 Solve addition & subtraction problems (written or oral) and add & subtract within 10 by using objects or drawings to represent the problem.

Science Standard: Science/Language Arts: Objects and materials can be sorted and described by their properties
