

Surface Area

Pyramid

Directions:

1. Cut out the net.
2. Record the area of each surface.
Write the answers on each face.
3. Add the areas to find the total surface area of the 3-dimensional figure.
4. Record the total surface area at the bottom of the page.
5. Answer the questions at the bottom of the page.
6. Cut along the dashed line, and be ready to turn in your paper.

Name: _____
