About me

I graduated from Twinsburg High School in 2013! I have my Bachelor's in Psychology and my Master's in School Counseling both from Kent State. The past 2 years I was a middle school counselor for a charter school and a K-4 public school the year before that!

I have experience helping children with anxiety, friendship skills, executive functioning, self-esteem/self-harm/suicidal ideation, career awareness, family dynamics, stress management and MUCH more! I am very excited to be working with the students of Bissell!
