

The following tool has been approved and can be used contingent on the following requirements:

Tool: Newsela

Requirements:

1. Students do not use Google to sign in
2. Students use the teacher class code to register
3. Students use their last initial in the last name field
4. Students use their network ID (ie js1112999) or any other non personally identifiable information as their username
5. Students under 13 may not create an account without using the class code

If any of these requirements are not met, the District Permission slip needs to be signed and returned by each parent/guardian.
